About the Book . . .

Is there any better way to guide man's progress amid the creation, to define the very act which allows him to assess and understand the universe, in which he is not a disconnected fragment but the complete image of the whole?

By coloring and engraving man makes the creation visible, indicating both his identity with the cosmos and his distinctness from it. This act of coloring and engraving is inseparable from the very act of being conscious. Therefore, what better symbol is there than the stained-glass window if one wants to get as close as possible to the human work as it expands according to the decree of the Revelation.

By stained glass, in terms of art we mean a window filling composed of an ensemble of small glass plates, coloured or otherwise interconnected as in a mosaic, and painted to form an image.

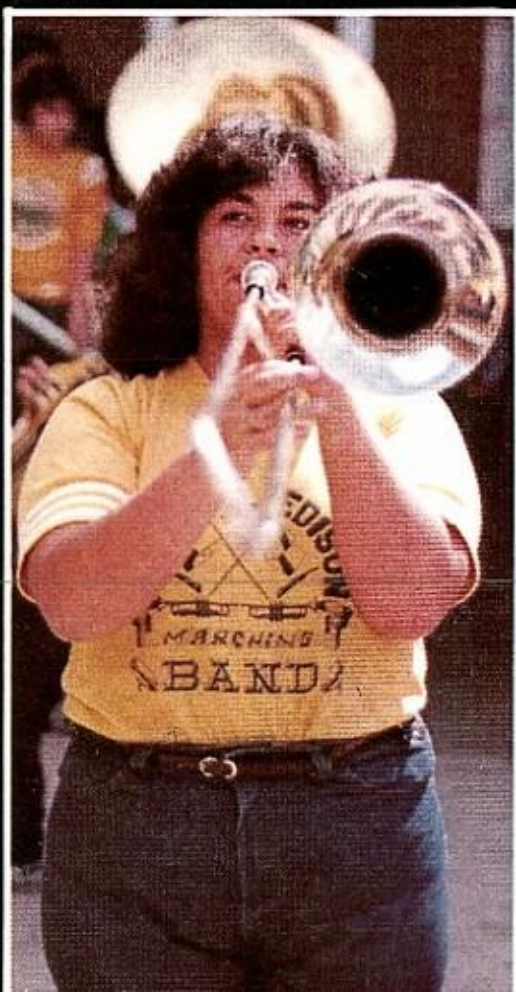

It has been said that people are much like stained glass windows. They glow and sparkle when it's sunny and bright, but when the sun goes down only then is the true beauty revealed if there is a light from within.

We Are All a Stained Glass . . .

Pep rallies always bring out the "Bear" in everyone at Edison High School. This year was exceptional, though, because our football team had such a spectacular season. Teachers, students, coaches, and even parents took part in the pep rallies. Cheerleaders did skits to entertain the screaming student body, while the Marching Band featured some of its sounds and soloists. This year, Spirit and Pride was the main ingredient at our pep rallies. We walked to every game with our heads high, and whether we lost or won, we knew we had something to be proud of . . . "Our Bears."

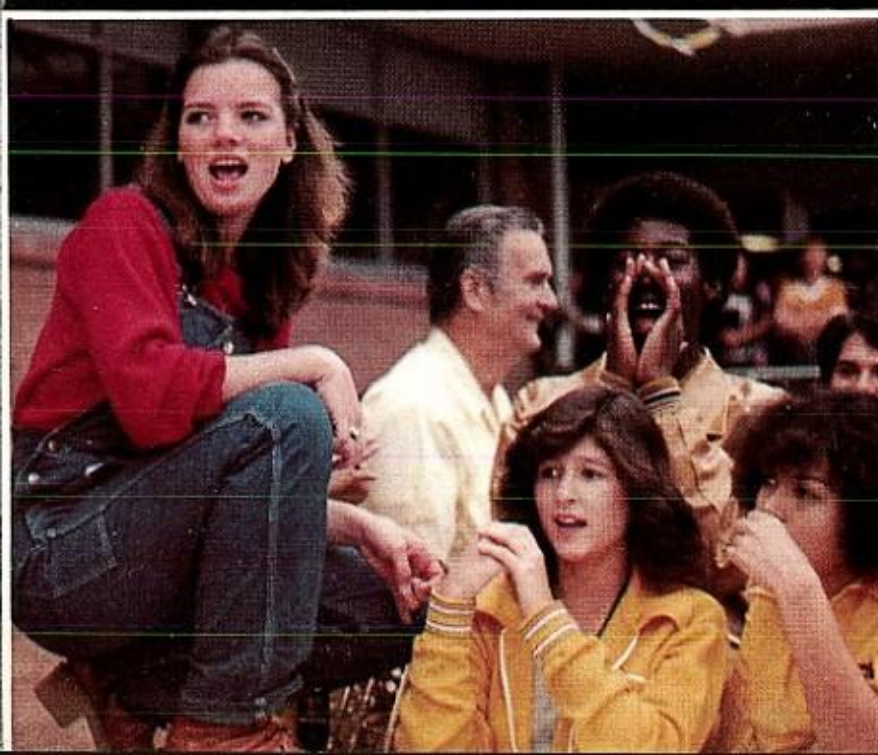

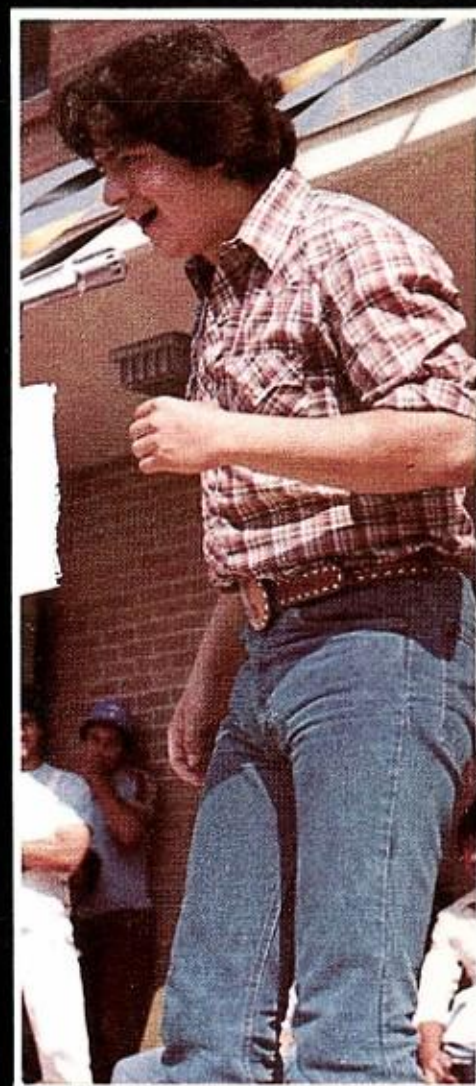

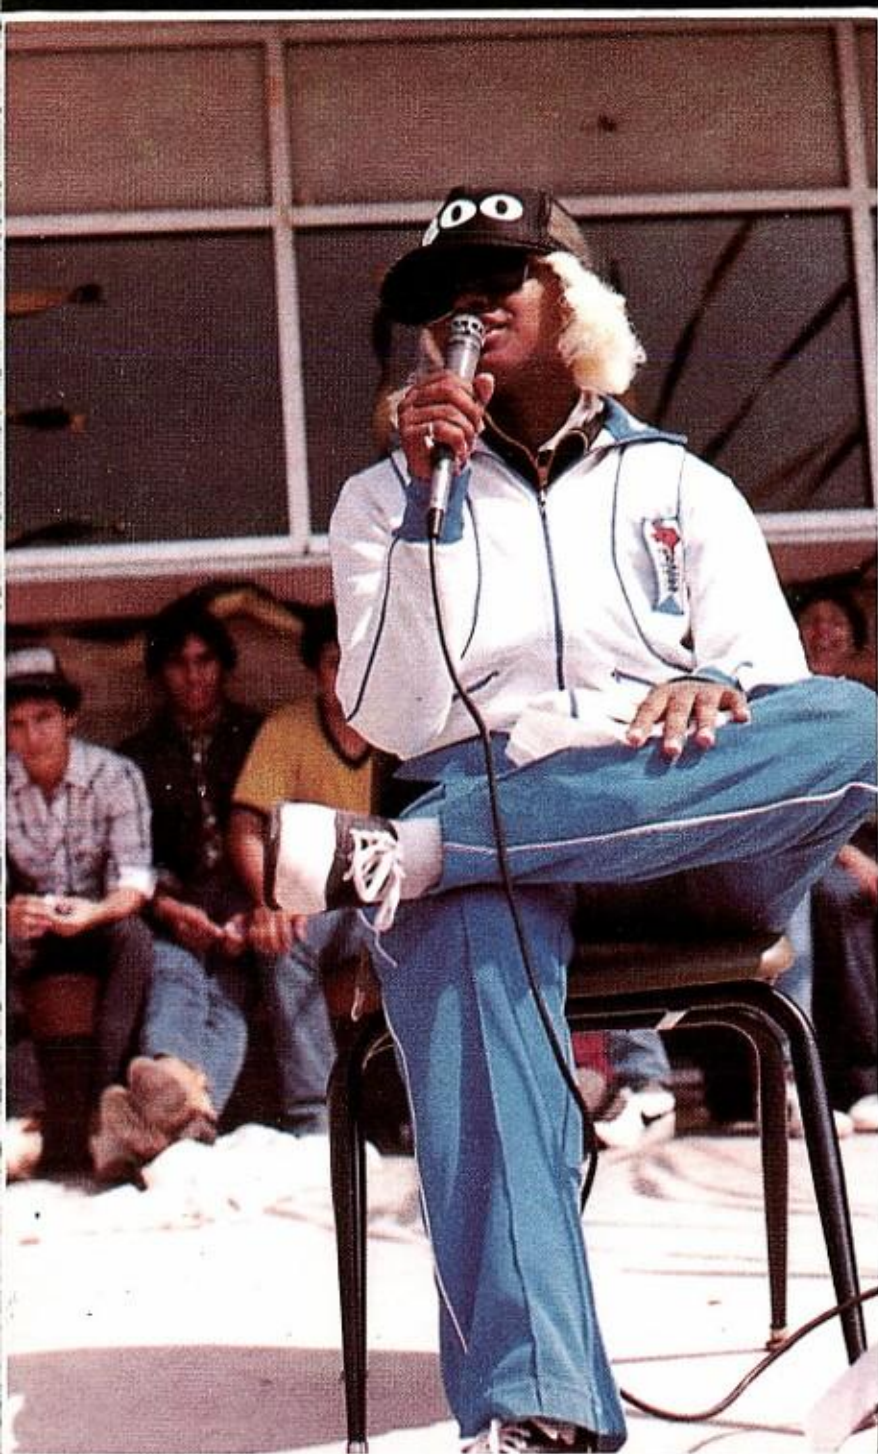

Top Right: Edison Faculty members have their spirit high during the Edison-Churchill pep rally. Center: "We are all a stained glass, no two of us are alike." (The Edison Student Body) Bottom Left: Cynthia Gallegos and friend (trombone) play with pride. Bottom Right: The Golden Bear Band performs one of its "unique" halftime shows.

No Two of Us Are Alike . . .

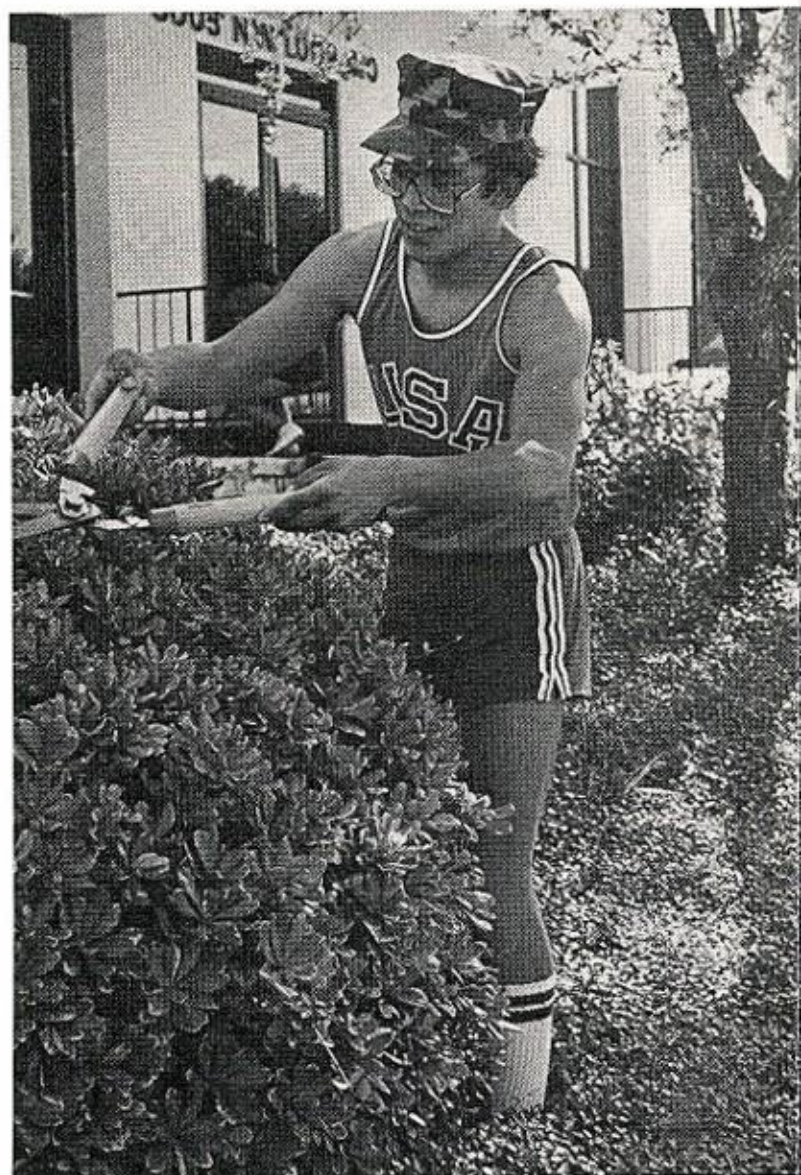

Top Left: The Golden Bears tangle with a few Burbank Bulldogs. Center Left: Zina "Boo" Wells hams it up during a pep rally. Center: "No two of us are alike," says Evelyn Alva and Cindy Villa. Center Right: Senior Mario Bernal says, "Go, Fight, Win." Bottom Left: Drum Major Debbie Sparks and other band members Cookie Valdez, Mercy Cruz, and Alonzo Hutchinson cheer along at the pep rally. Cheerleader Lisa Arredondo finds a quiet moment during the football game.

Top: Steve Mejia, Danny Moreno, Mario Bernal, Mike Barrera, and Sammy Gomez.—“One Class Act.” Lower Left: Zina Wells holds up more than she can handle, at the pep rally. Center Right: Dedicated Punk Rocker, “Rachel Sweet” makes an appearance at E.H.S. as Eric Saucedo looks on.

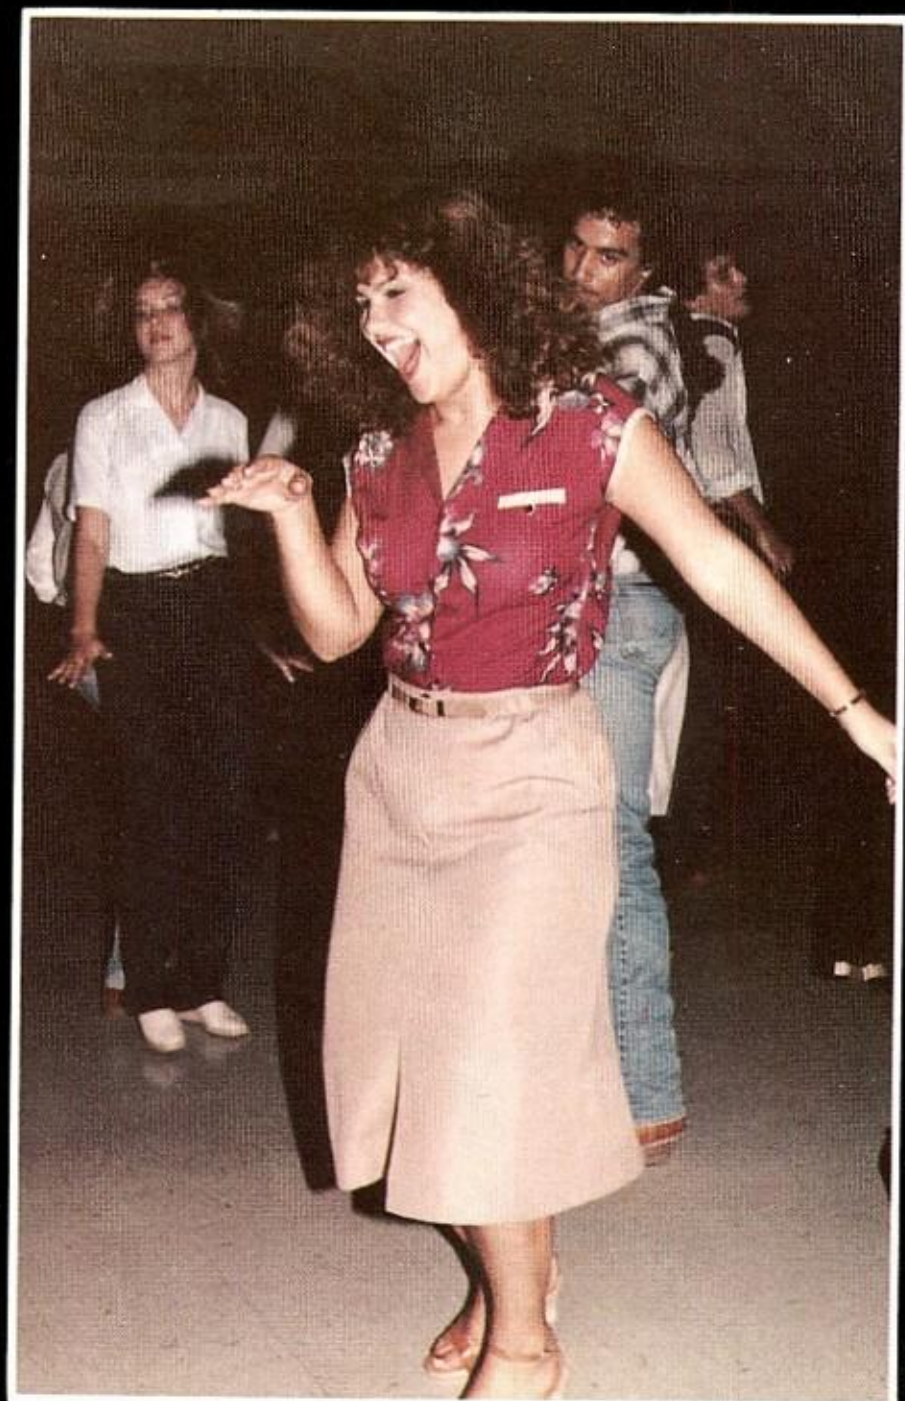

Highlighting Color Week festivities, was the annual Color Day Assembly. Varsity football players were honored escorting hostesses from various clubs and organizations. The Bear Band played numerous tunes and the students were entertained by the Cheerleaders and Goldengirls who did dance routines. The Drama Department took the spotlight when they enacted two skits, one of which was, "The Bar Scene." At the closing of the assembly, the traditional prayer song was sung and it left everyone with a feeling of pride inside. Night fell, and once again, students returned to Edison for the Color Day Dance. Overall, the day turned out to be a very exciting one.

Who were they? They came from everywhere, all walks and
 rm. Freshmen, that's what they were and they came from the
 any middle schools that feed into Edison. At first it took some
 me getting used to new teachers, classmates, and the everyday
 outine of getting to classes on time. When the worst was over the
 est was yet to come. Many Freshmen were involved in sports,
 hool clubs, and class activities. Some participated in pep rallies,
 ent to school dances, and supported the Bears at all sporting
 vents. All in all, the Freshmen had one exciting year. We hope
 ey will be around for awhile.

I Wouldn't Have Missed It for the World!

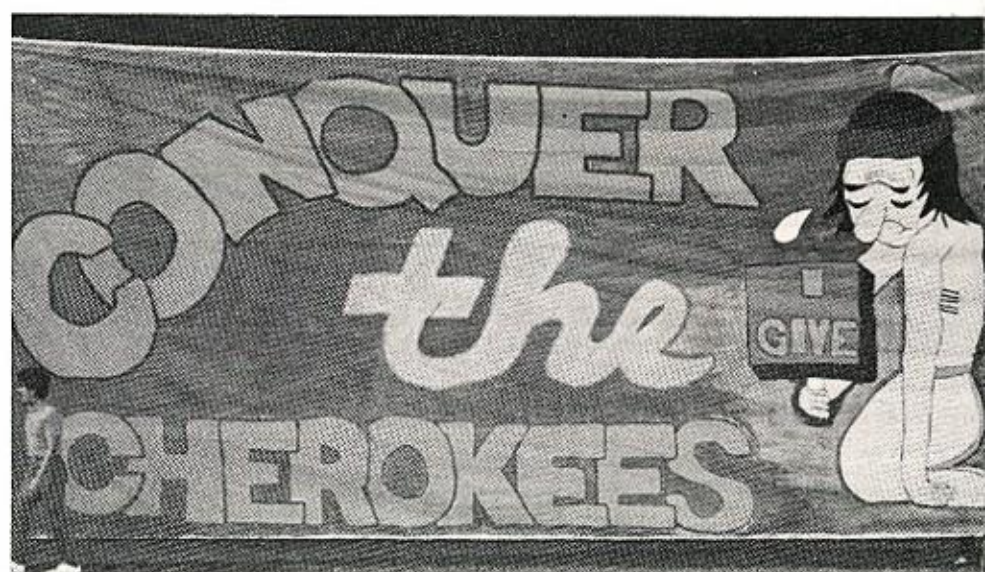

Our last year in high school, our Senior year. One of the most exciting and memorable years in our life. It is filled with good times that we have with friends, bad times and sad times that we may encounter with work, parents, and teachers. All these times we will remember well. "I've waited all my life for this year, because in May I will be a graduate." The year we start our dreams and goals for the future, and end our (childhood play).

Twenty-two Years Later . . .

In 1959, Ike was president, gas was 25 cents a gallon and Ronald Reagan was spending his bedtimes with Bonzo. It was also in that year the Edison Bears won their last district football championship.

That is, until the Edison Bears defeated the Jefferson Mustangs 27-10 at Alamo Stadium to hand them their first district championship and playoff berth in 22 years. The victory gave Edison a 6-1 record in District 31-5A play. Sam Houston and Highlands also had one loss but since the Bears beat both Houston and Highlands earlier in the year their win over the Mustangs clinched them the district title. The Bears, meanwhile were 7-3 for the year and with the win they had the unenviable task of meeting the tough Churchill Chargers in bi-district.

Bears give Chargers Scare. The heavily-favored Churchill Chargers moved into the city championship but not before the Edison Bears threw a bit of a scare into the Team That Might Be King. Edison hadn't been in any sort of play-off in 22 years and judging by the way the Bears started, they were tight. In the first half, Churchill was never forced to punt and Carlson completed eight of nine passes for 126 yards. That set the tone for the first half as Churchill ran up a 24-0 lead. To Edison's credit, the Bears could have gone into early hibernation then, but Greg William's team fought back to make things interesting when Edison scored twice in the third period to narrow the score 24-13. The mini-come back was even more impressive when you considered that the Bears went nearly the entire game with its backup quarterback Joe Paveglio. The Chargers made it 38-13 with their last 7-yard scoring drive and the Bears got the final touchdown of the game, when Paveglio hit La Fargo on a 39-yard bomb that was tipped by Charger defensive back Chris Eichler. The Edison Bears Football season was a very exciting and spirited one. We feel that every player and coach should be recognized for their remarkable accomplishments.

Opposite page, TL: Jaime Landin attempts field goal as Victor Gomez holds. TR: Coach Gregg Williams sets up next play with determination. CL: John "Fifi" LaFarge sings, "Do Wah Diddy Do." CR: Bear Spirit lives on at Churchill game. LL: Joe Paveglio wonders what to expect during the second half of game. LR: Abby Cantu, Mike Barrera, and Lyndon Duano have lots to smile about.

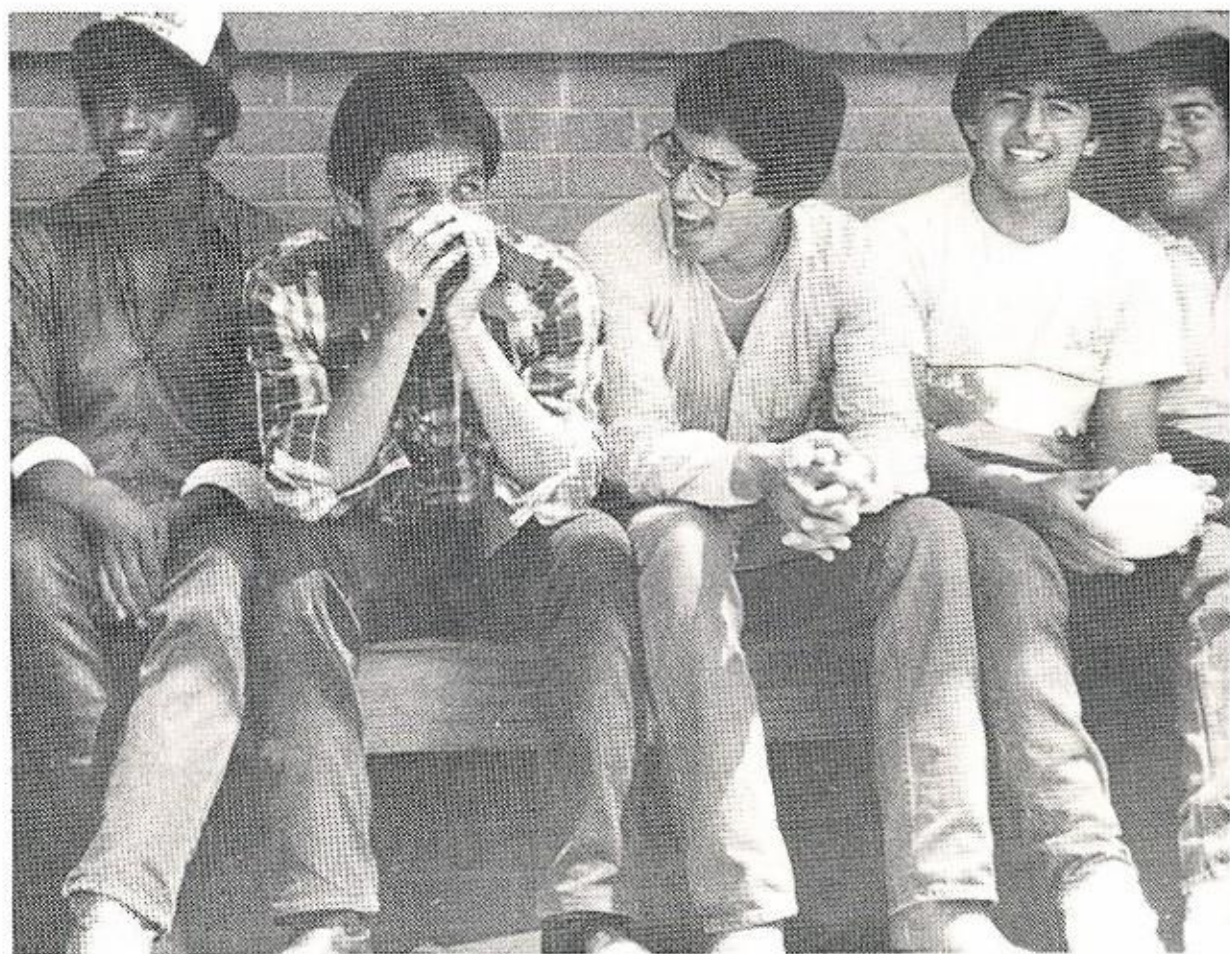

Anything made to serve as a guide for making some other thing; shape; We take life one piece at a time . . .

Patterns—Part I

Have We Got the Spirit?

What a year! The 1981-82 school year is a year that will long be remembered. The Bears won district after a long and rocky 22 years.

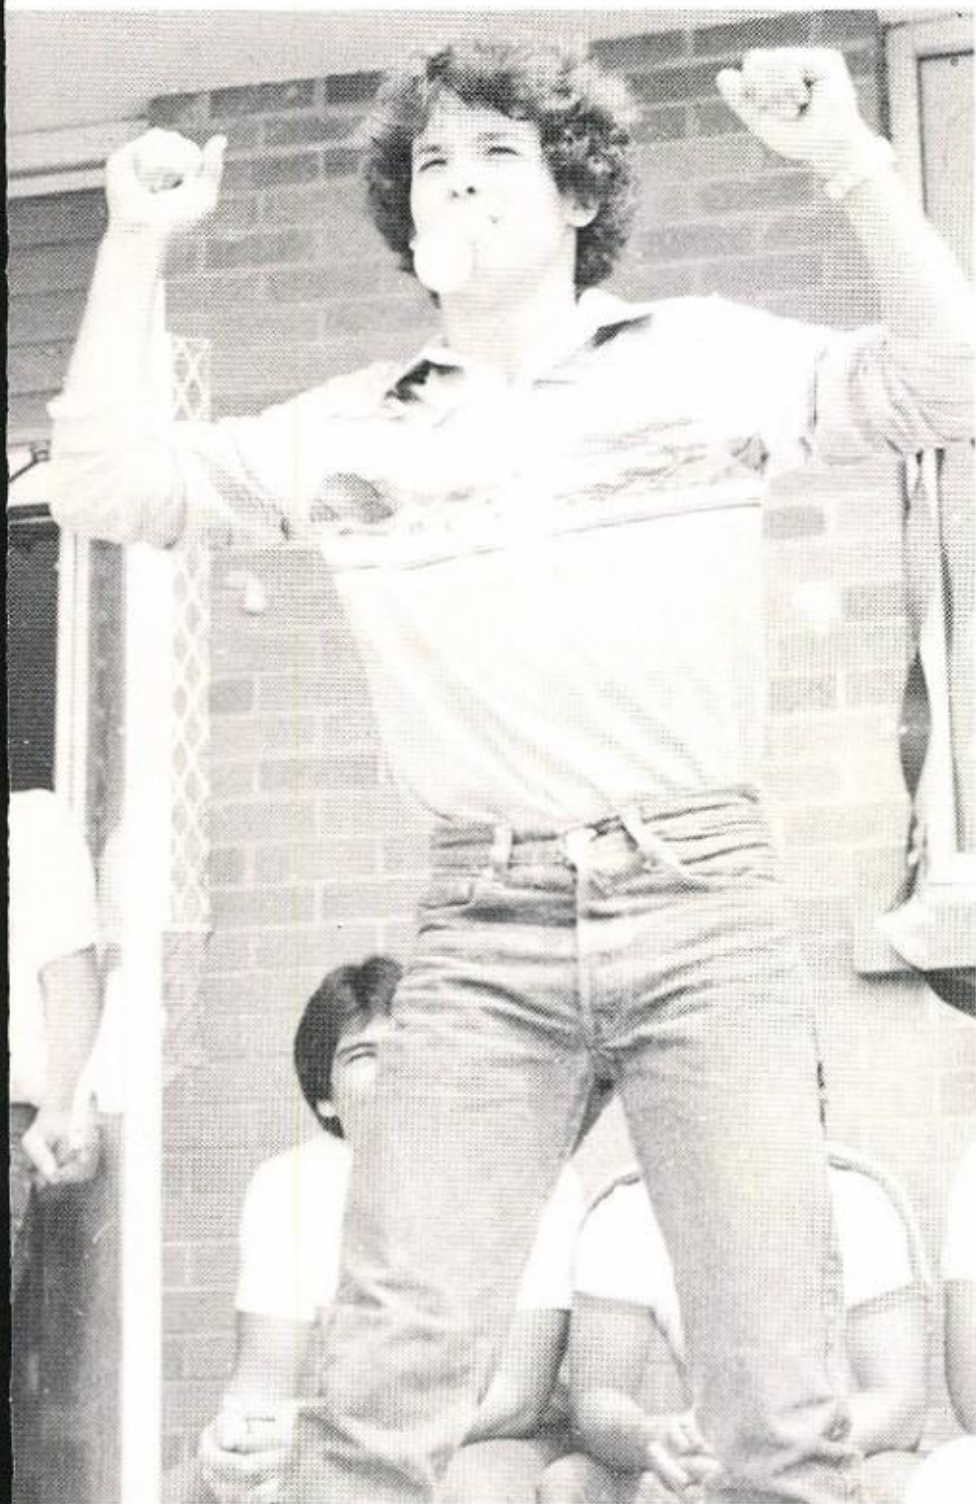

What is football season without pep rallies? It's a school with no spirit. But we had spirit, yes we did. Many teachers, parents, and students waited after school for the first pep rallies. Later in the season the time changed for the rallies. From the beginning during pre-season when we played the Harlandale Indians to the end, when the final climax was against the Churchill Chargers, pride was apparent. The Edison Golden Bears stood proud and walked tall. Each and every pep rally became something to look forward to. All were different and fun.

Top Right: Are these the Edison Cheerleaders? Center Left: Patricia Gomez "struts her stuff" at the pep rally. Bottom Right: Victor Perez, Steve Mejia, Gilbert Barrera, and Dale Garza have their share of laughs at the pep rally. Left: Tricia Gomez performs at the pep rally.

Well . . .

Yes!

Top Left: Coach Williams talks with pride about the team. Top Right: Ruben Huizar and Gilbert Barrera show off a new dance. Bottom Left: Larry Retault, "The New Tarzan." Bottom Right: Everyone joins in to sing the prayer song.

The Excitement . . .

The most exciting day of Color Week is Color Day. Football players and club representatives each had their moment in the Color Day assembly.

The Edison Golden Bear Band played a few numbers to keep in the spirit of Edison.

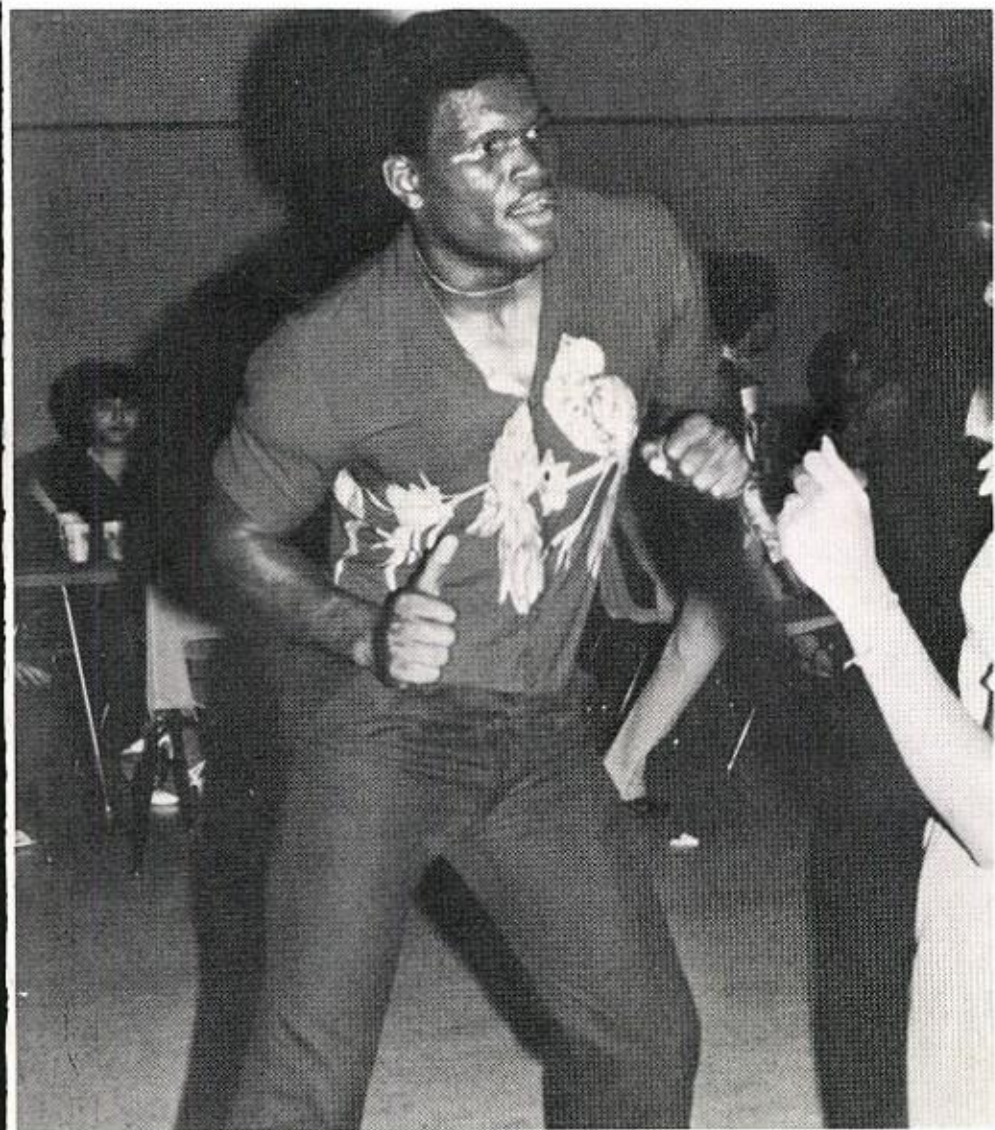

This exciting event was on October 2, 1981.

Gonzales Takes First

To promote a little more school spirit the Spark staff had a class decorating contest. The class that showed the most spirit would win a free page in the 1982 Spark yearbook. This year's winner was Mr. Joe Gonzales' class. The second place winner was Ms. Dominguez's class. Many second period classes showed much spirit by just participating. The winners were announced during the Jeff pep rally.

U.I.L. One—Act Play

The Drama department put on several plays through out the year, but there is always one play that they practice "extra" hard for and perform "extra" well for. This play is their U.I.L. One-Act Play. This year it was held at Highlands High School on the 23rd and 24th of March. The name of their play was Catherine Howard.

The Golden Bear Band has participated in many activities. A few of the most exciting ones are during Fiesta week. This is when the band marches in both The Battle of the Flowers and Fiesta Flambo parades. These parades happened during Fiesta week.

Holiday Happiness

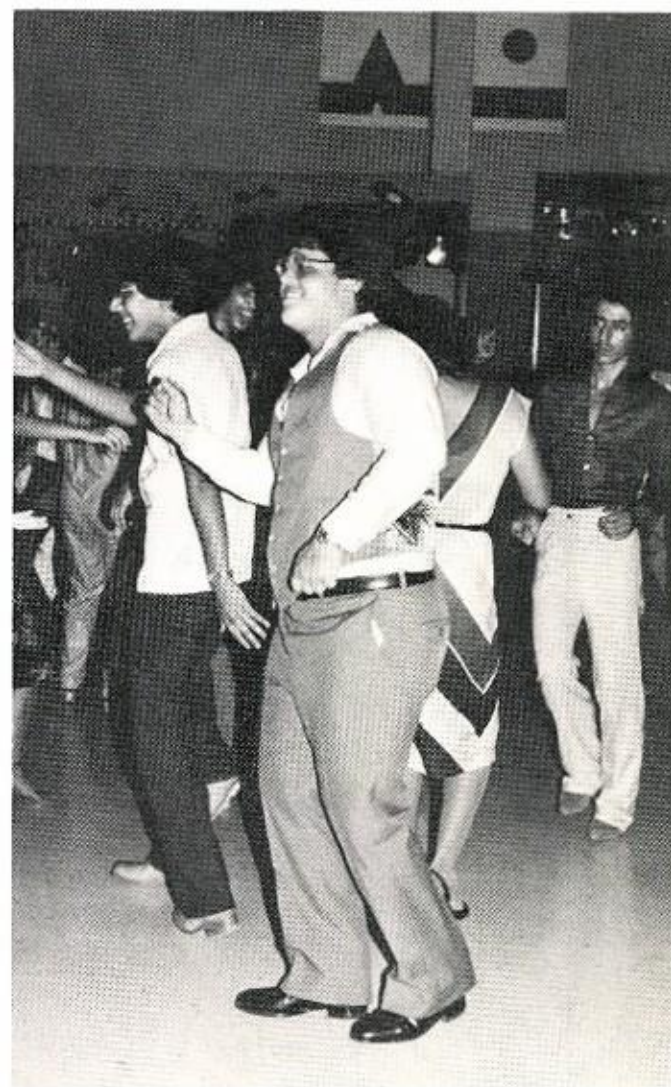

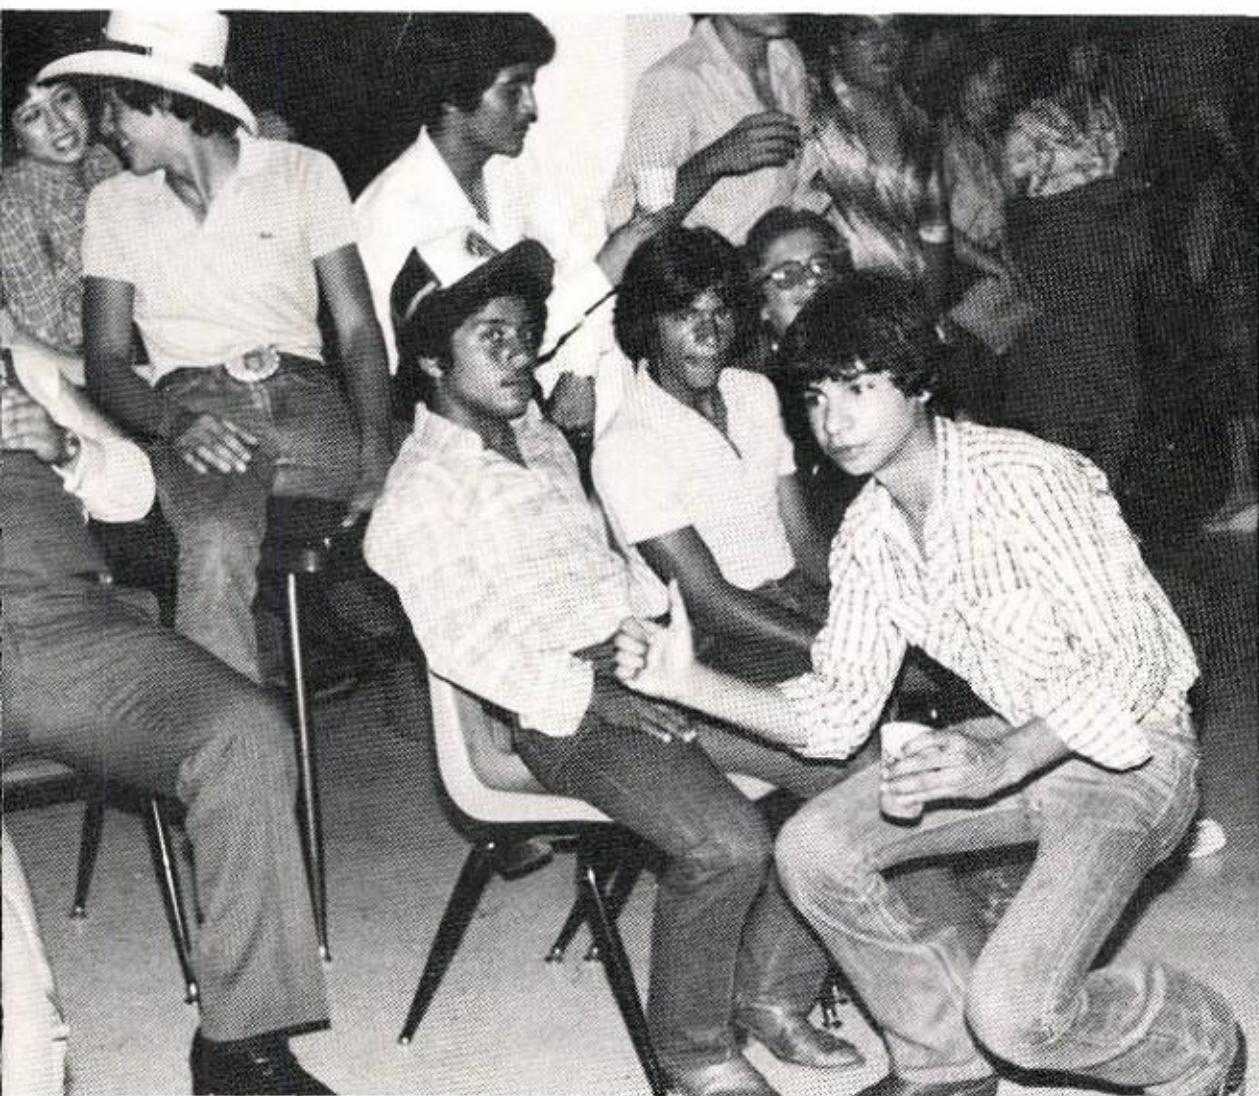

The month of December was certainly a cheerful, spirited, busy month for Edisonites. To start the Christmas season off the Student Council had their annual food drive. Each second period class and all clubs and organizations donated change they could spare. By the end of the drive, the Student body had made over \$1,100. All this money went to a good cause. It went to purchasing lots of food to help many needy families in our own Edison community.

To begin the holidays the Marching Band had their Annual Band Show, on the 18th of December, the same evening the Student Council sponsored a Christmas dance.

Led by a great Bear offense and followed by an outstanding Bear defense was the right combination for a district title.

The Bears great offense led by quarterback Victor Gomez, along with runningbacks Larry Retault, Sammy Gomez, and Keith Edwards are only part of the whole offense that helped with the district title. The Bears defense really stood out by stopping opponents with only short gains.

The Bears started the season right by defeating Harlandale 14-0 in their first game. The next game against Madison was one of the best games of the season. It was a hard fought game with the Bears losing 21-6. Holmes was the hardest pre-season game played. The Bears were overpowered and lost 37-8.

The opening district game against Highlands was a very close one, but ended with our Bears on top 14-8.

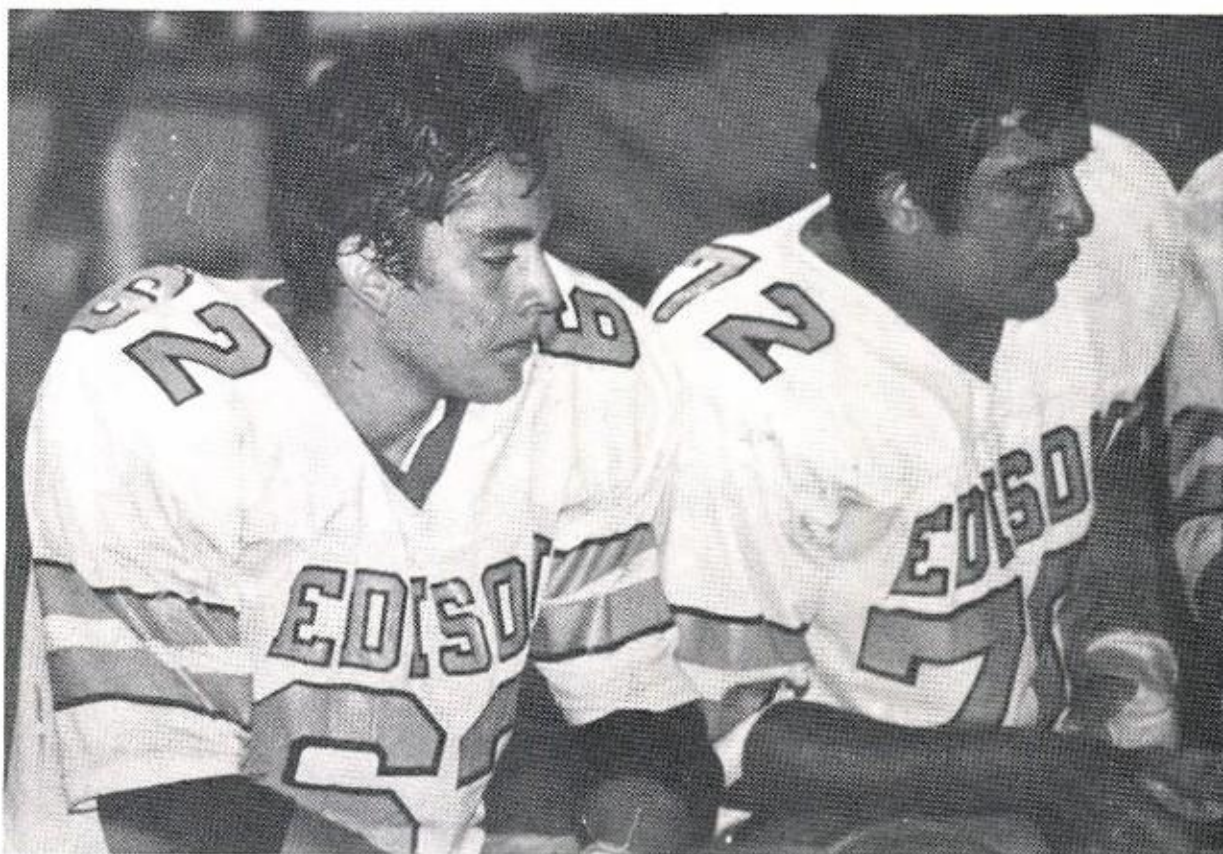

Opposite Page: Victor Gomez tries for long yardage. Left: Steve Mejia watches game, anxiously waiting to go back in.

Bears Open on Right Track

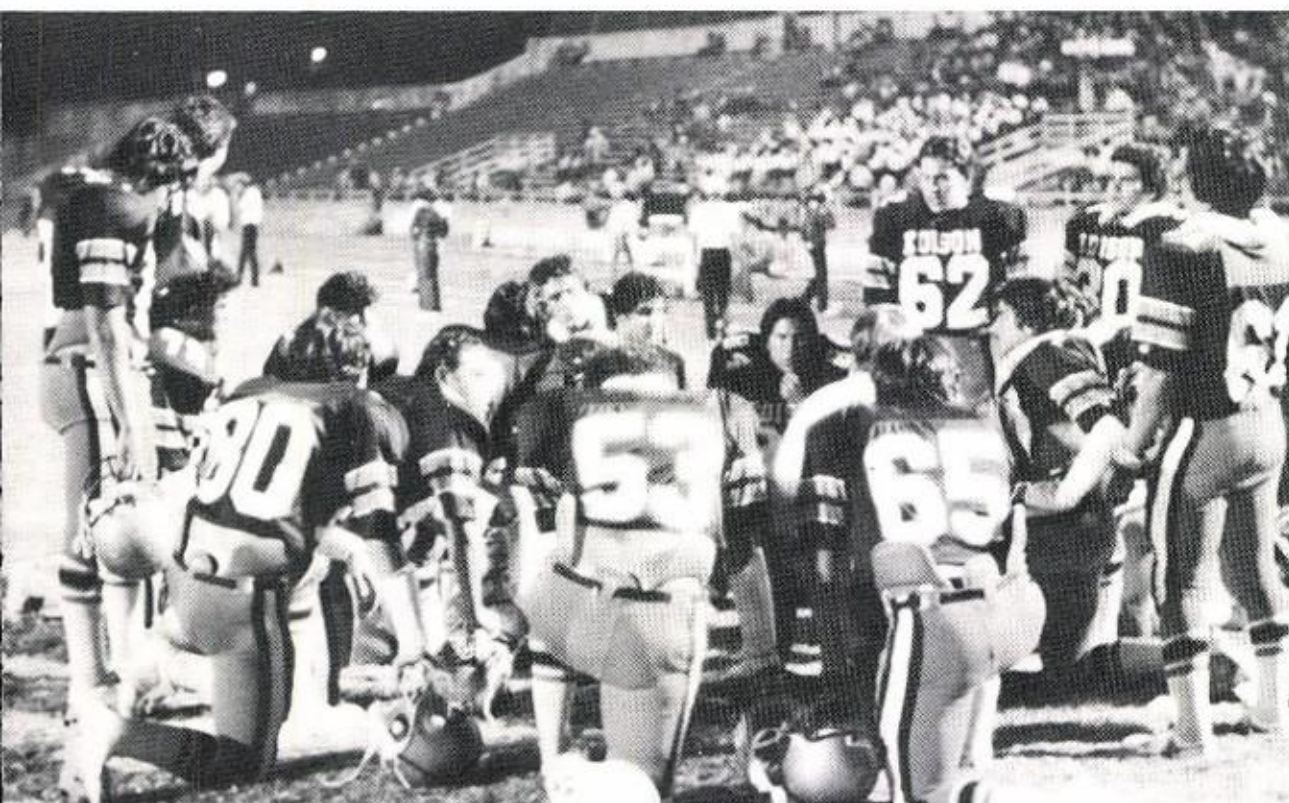

The next game was an easy one in which the Bears defeated Lanier 19-0. Tech proved to be worthy opponent for the Bears, but our Bears rose to the occasion and met the challenge as they defeated the Buffs 7-3 in a very close game. Against Burbank, the Bears took an easy victory, winning by a score of 30-0.

Wheatley was the only team to defeat the Bears in district play. They won the game on Bear mistakes by a score of 14-6. The Bears recovered from that loss and in a breath-taking game they beat Sam Houston. The Bears and the Cherokees fought to the last second and as the smoke cleared the Bears came out on top 14-13.

Now with the last game coming up everyone knows the Bears have a very good chance for the district title. Now the Bears meet archrival Jefferson on the playing field and prepare for the battle. There is a feeling of excitement in the air and you can feel it. As the final second ticks off the clock the crowd rises and cheers not only the Bears but the District Champs as they defeat Jeff 27-10.

Bears Out Wise the Owls

As our Mighty Bears now move into the playoffs, they face the Churchill Chargers. As the players prepare themselves both mentally and physically, the student body lets the team know that they're behind them 100%. Now the moment comes that everyone's been waiting for, and as the Bears come on the field the crowd gives them a standing ovation. Although our Bears start off slow, they start to come back in the second half. They score and score again but the lead already built up by the Chargers is too great and as the fans watch in despair the Mighty Golden Bears fall to the Chargers 38-19.

Sam Who Will Remember Us

Outstanding players for the Bears that made the All District First Team Offense were; Quarterback Victor Gomez, Runningback Larry Retault, Tackle Albert Pavon, and Kicker Jaime Landin.

First Team Defense; Guard George Trujillo, and Middle Lineman Sammy Gomez.

Making All District on Second Team Offense were; Runningback Keith Edwards, Wide Receiver Benny Jasso, Center Danny Moreno, Guard Paul Solis, and Punter Julian Gonzalez.

Second Team All District Defensive players; Defensive End Mario Bernal, Defensive back Paul Alvarez, and Safety John LaFarge.

Our congratulations go out to the players making the All-District Team and to the rest of the Varsity Football players that helped bring the District Title to Edison . . .

Cubs Face Tough Schedule

The J.V. Football team showed a lot of spirit and sportsmanship this year. They finished with a 4-5-1 record. All their losses were only by a touchdown, which isn't much. The only team to defeat them by more was the Highland Owls. Even against them the Cubs showed a great team effort.

Outstanding players for the J.V. Football team were Quarterback Mark Wallace, Split End Jaime Montemayor, Tight End Roland DeLos Santos, Runningback Oscar Pacheco, and Tight End Nick Pavaglio.

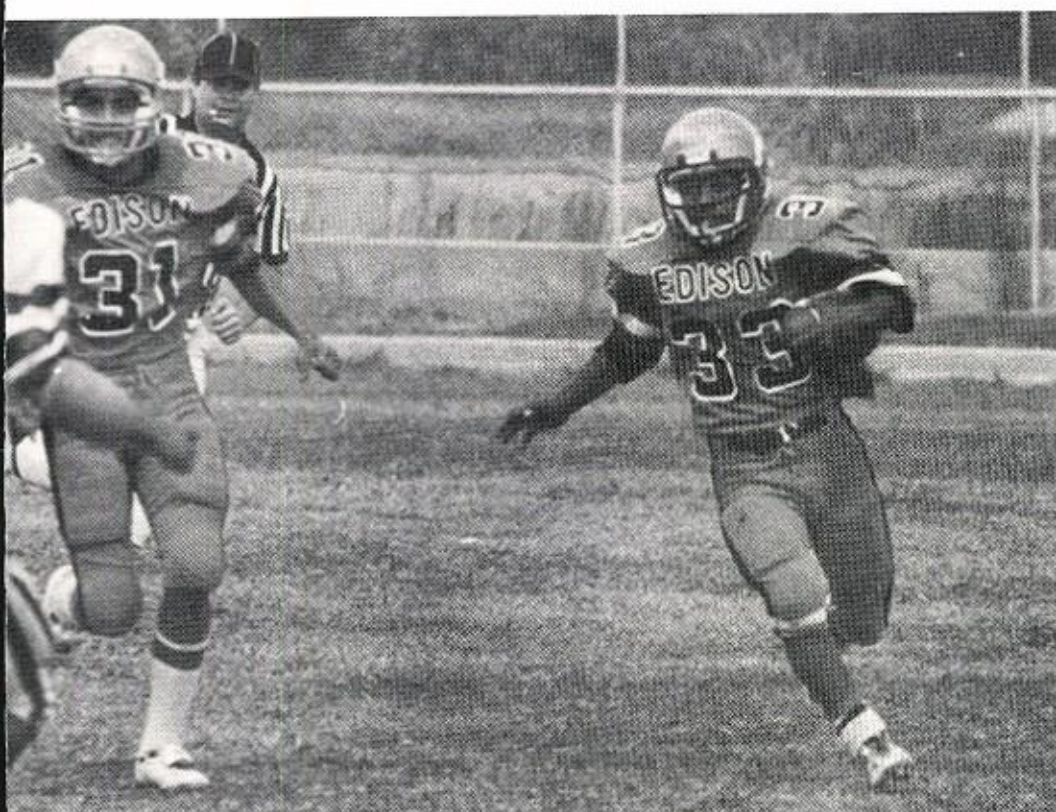

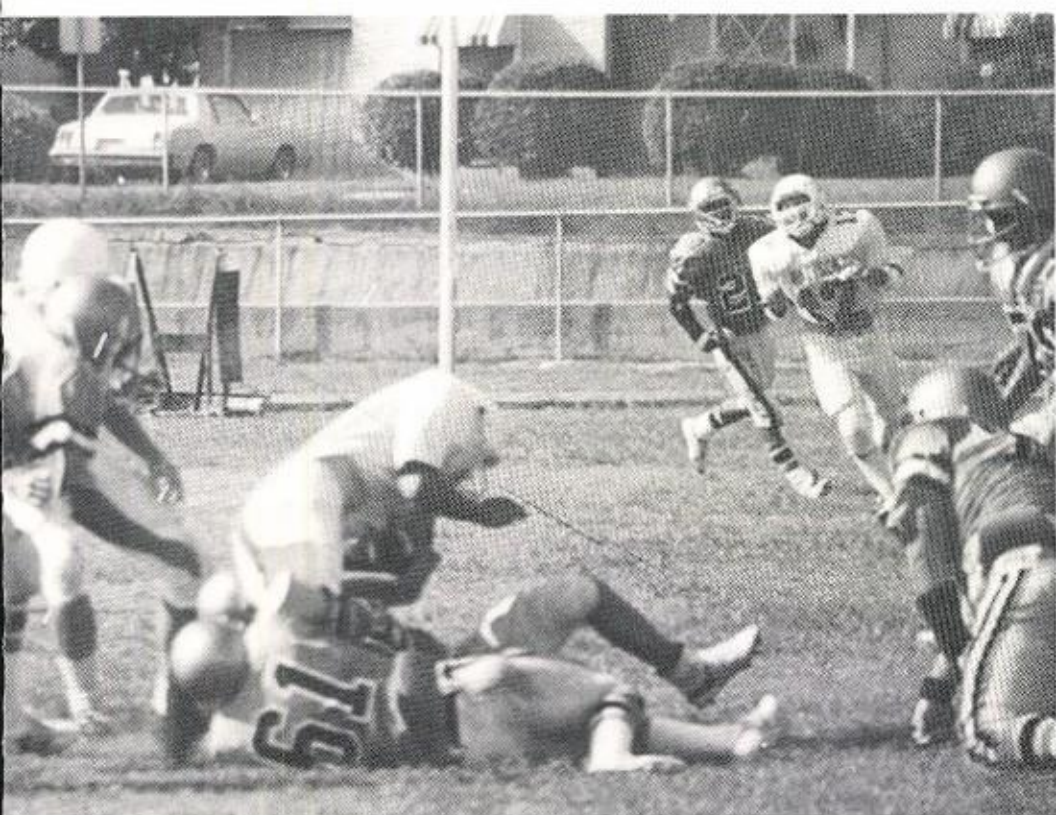

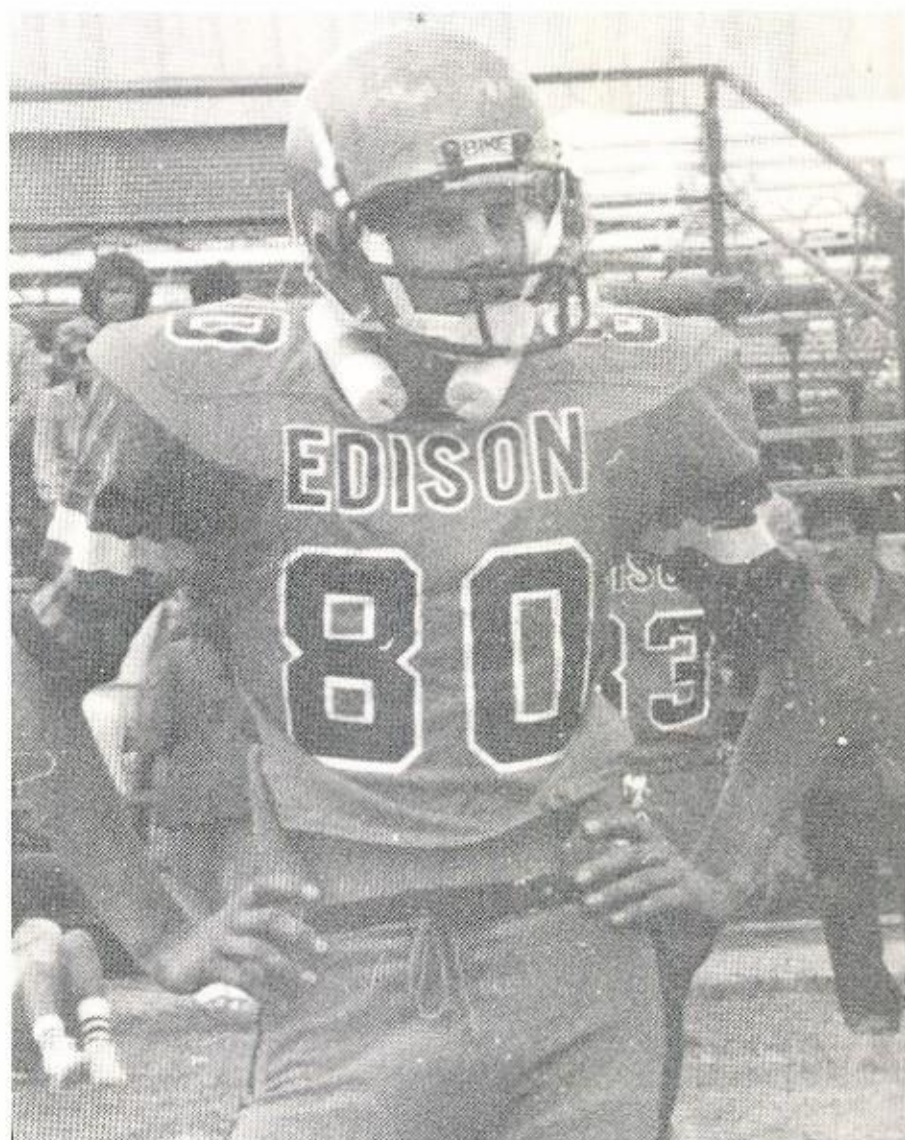

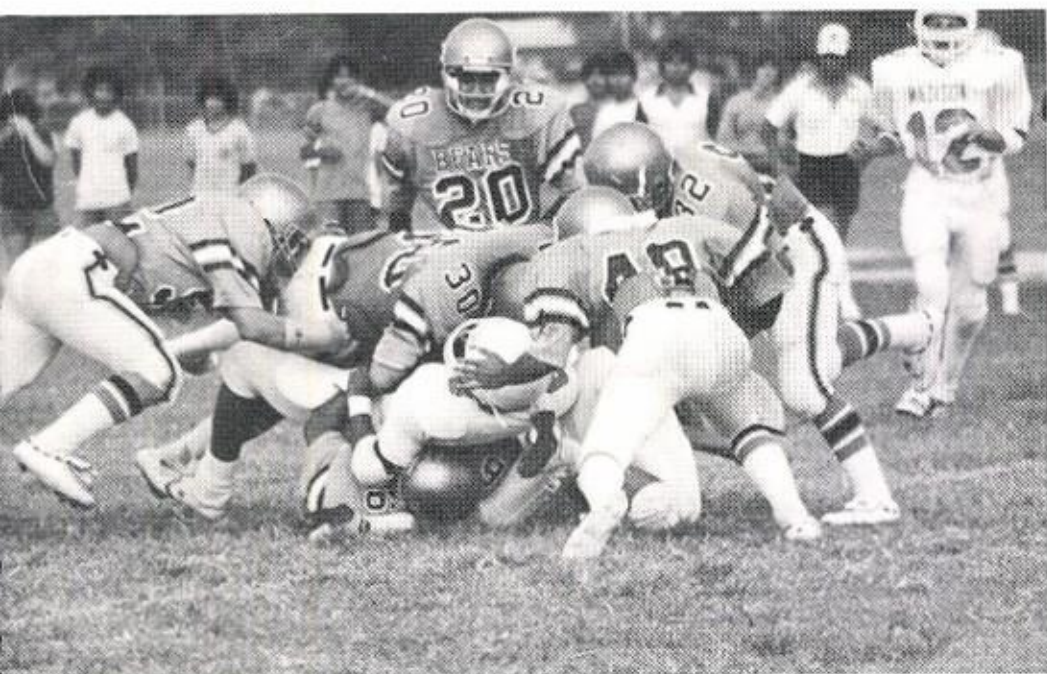

Although the J.V. Football team didn't really come through this year, we're sure that next year these players and those that are returning from Varsity, will make the best team we've ever had.

The Freshmen team ended this season with a split record of 5-5. They played against teams of different levels of skill. They defeated such teams as Lanier, Tech, Lanier, and Burbank. These teams were very good but our team was better. All these players will be looking toward the future football on the J.V. team and later on Varsity.

Outstanding players for this year's Freshmen team were John Gomez, Edward Cardenas, Mark Kyle, Ricky Martinez, Blas Telles, and Charles "Boo-Boo" Johnson. Good luck in the future on J.V. and Varsity teams . . .

This year's varsity volleyball team had a very outstanding year with a (3-5) pre-season record, and a (9-5) district record. This gave the varsity team a berth at 2nd place. Each player stood by each other all the way, with the wins and losses, each player shared both grief and happiness. They are a family of sisters which care and stick by each other.

This year's honors go to Sallie Tynan, 1st Team all district, Joyce Rosenwald, 2nd Team all district and Mariana Martinez, Honorable mention.

Cubs Show Pride

The Junior Varsity had a very good year with the record of 9-4 which placed them in fourth place in district. They played two invitational tournaments which included Alamo Heights I.S.D. and Northside I.S.D. With each game and tournament every player was aggressive and ready to challenge their opponent with the determination to win. They had a good year and deserve the credit, but next year they are determined to give it everything they've got to be the champs of E.H.S.

Frosh Share 2nd

The Freshmen Volleyball team really stood out this year with a record of 11-3. They tied for 2nd place in district as they showed their opponents that they meant business as they defeated almost all their opponents. They played each game very aggressively and with determination. They also had their share of wins in tournaments in both San Antonio I.S.D. and Northside I.S.D. Hopefully next year we'll have as good as a team as we have now. So thanks and congratulations go out to this year's Freshmen, next year's Junior Varsity.

The Varsity Boys Basketball Team had a better than average season. They came out with a 15-16 record with the help of Coach Bill Evans. Coach Evans has hopes that next year's team will have an even better season with two returning starters.

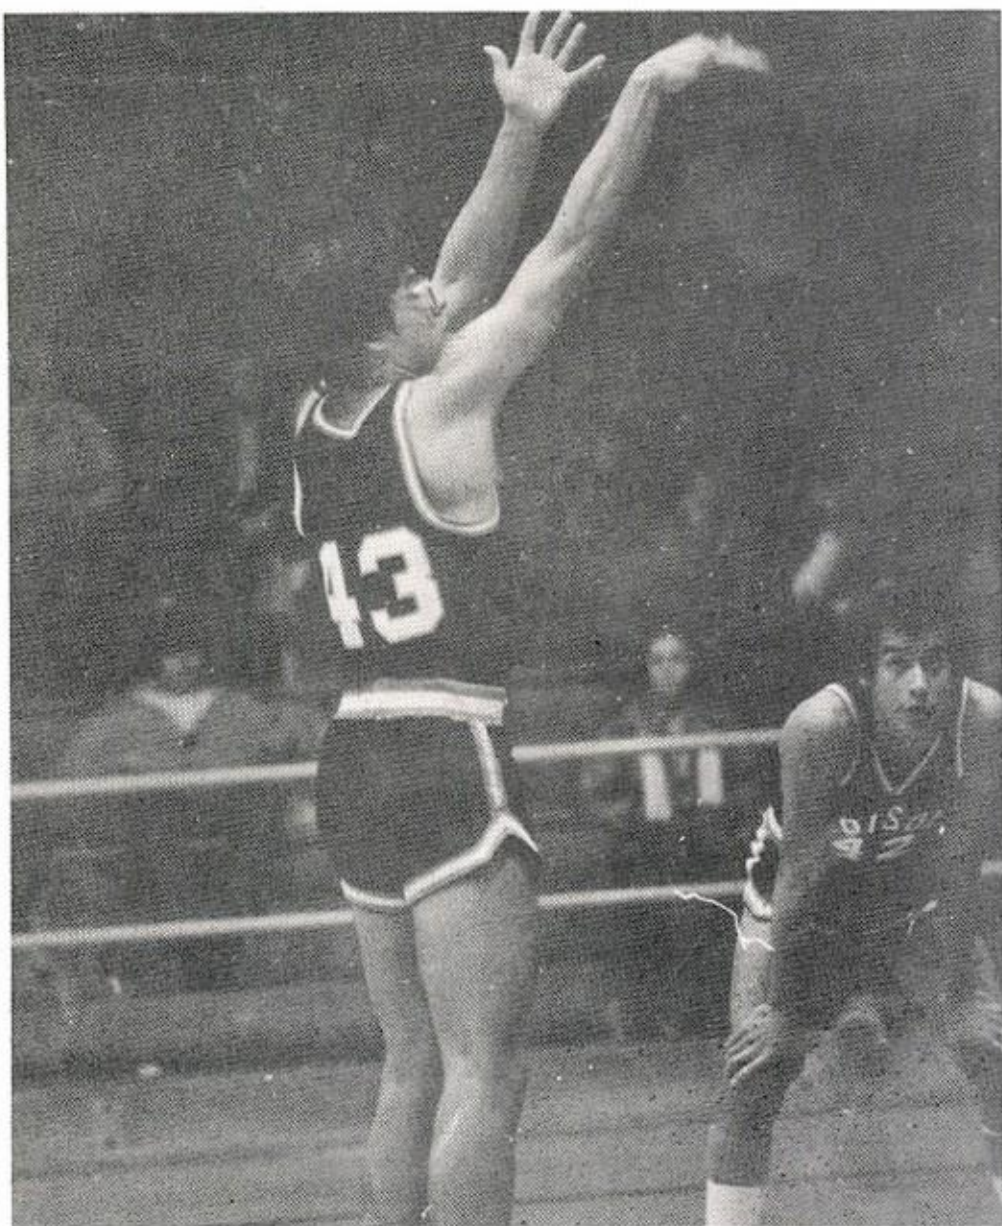

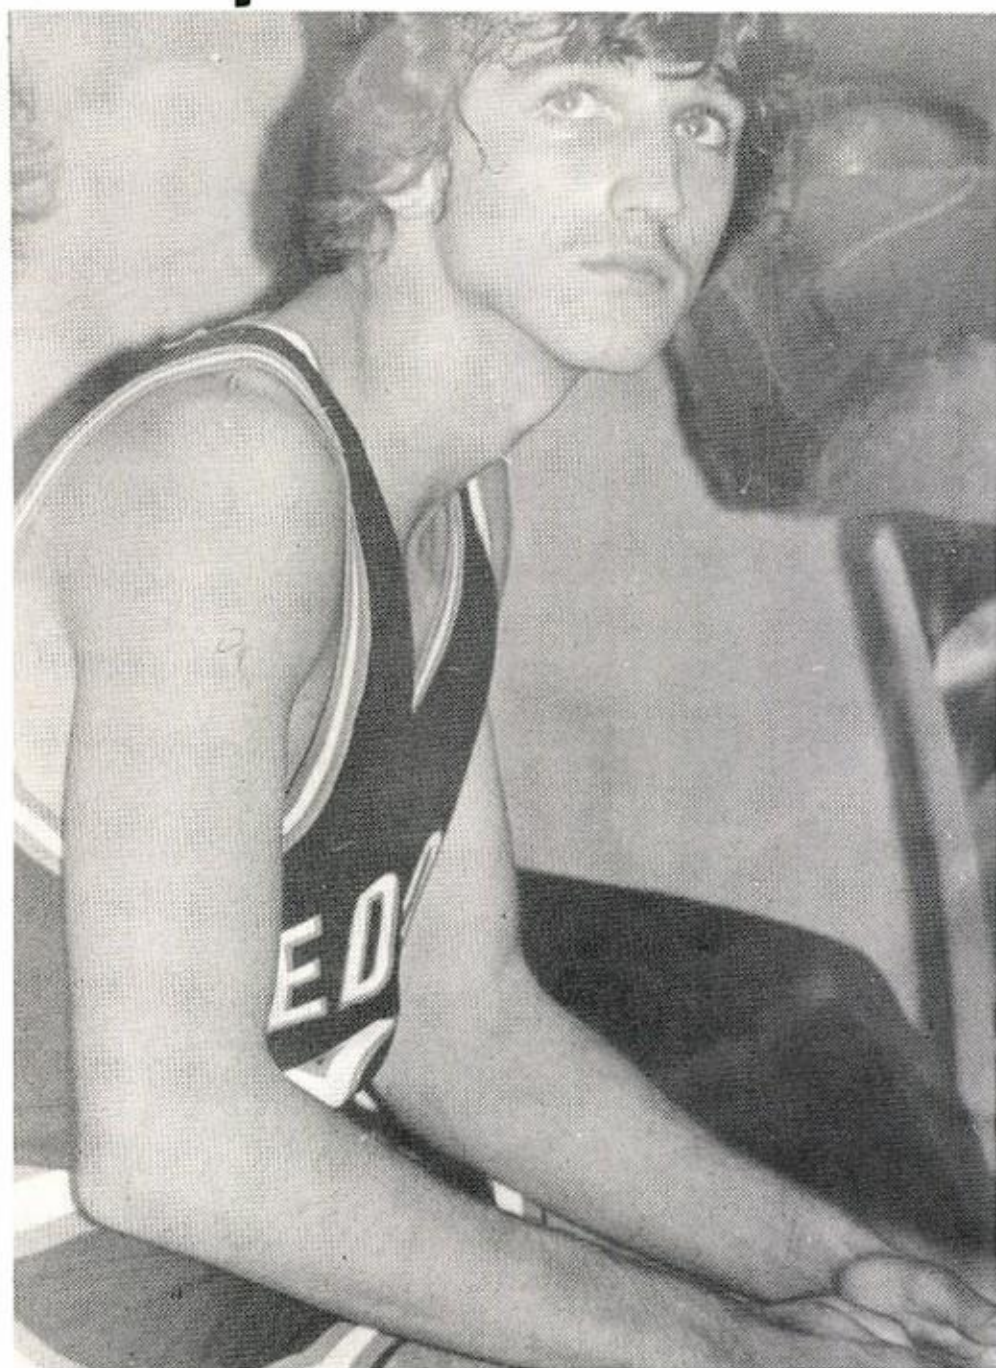

Some outstanding players this year were 4-year letterman Johnny Bermea, 2 year letterman Will Rodriguez, 2-year letterman Joe David Flores, and 2-year letterman Leonard Vargas.

Some very exciting games this year were those against Houston Worthing, McCollum, Jefferson, Lanier, and Highlands.

Even with all the disappointments this year the 1981-82 Bears Basketball team never gave up, and put out tremendous effort at all times and for these among other reasons, it was a team that Edison students can be proud of. We would like to congratulate this years players and wish next years team GOOD-LUCK.

The Right Pieces Together

This was a rebuilding year for the J.V. Basketball Team. They ended this year with a 10-17 record which is really an understatement considering the skill and coordination the team has as a unit. Most of this year's team will be advancing to play on the Varsity Team next year.

This year's team had a lot of problems plaguing them this year, mainly their height. They also had a lot of problems with injuries which cut down their strength considerably.

The team's outstanding players were Mark Wallace, Bryan Myler, Roger Almarez, Thomas Espinoza, and Scott Cox.

Coach Washington did an excellent job considering the circumstances. This was Coach Washington's first time coaching the J.V. team as a unit.

The team is really looking forward to next year while improving on their game this year during off-season.

"Bears Faced Tough Season"

The girls played to their best ability even though their record did not show it. They all exhibited determination, desire, and hard work. We look forward to next year's team especially due to the fact that our Junior Varsity did so well. Outstanding players were Santa Castro, Chris Castro, Connie Kraft, and Carol Sifuentes. Ms. Pena will only be losing three players, but they have been the three best players that Edison has produced in a long time, said coach Pena.

J.V.'ers Look Out the

"It was a tough year for the young junior varsity, but we managed to pull through with a fairly good season," said Coach Salinas. They had a record of 11-16. Most of our freshman players were playing against sophomores and juniors from other schools. The J.V. girls proved that they definitely had confidence and the potential of a good basketball team determined to give it their best shot! The team took second place in the Edgewood Tournament.

The Edison Boys' and Girls' Swim Teams were very successful in 1982 as the Girls' Team finished 2nd in the district and the Boys' Team finished 3rd.

Both teams virtually re-wrote the Edison record book as 95% of the records were broken this year.

Highlighting the season was a fine senior year by Michael Ledesma. He completed his career with three individual varsity records and being part of two record setting relay teams.

The Girls' team showed excellent progress with Lisa Reyes and Erin Vaca setting records in their specialties.

This year's team will not be affected by graduation as most of this year's team are underclassmen.

SPRING RECORD 2-2

This year the Edison Boys and Girls Water Polo Teams proved to be very successful as the Boys became Spring District Champions and the Girls finished third. Highlighting the season was the naming of various Edison students to the All-District Water Polo Team. Selections included John Carter, Ben DeLaGarza, Michael Ledesma, and Charlie Rodriguez to the boys team. While Nancy DeLaGarza was voted to the Girls All-District Team.

Golfers Swing Through

The 1981-82 Edison Golf team had another good year. The Girls' Team took district and the Boys' Team finished third. The team was coached by Coach Murray and again as in past years he led them through another successful year. However this year's team consisted of many seniors and will be lost due to graduation.

Coach Murray predicts that next year's team will be about the same as this year's or even better. Well Good Luck and congratulations on a successful year.

The Game of . . .

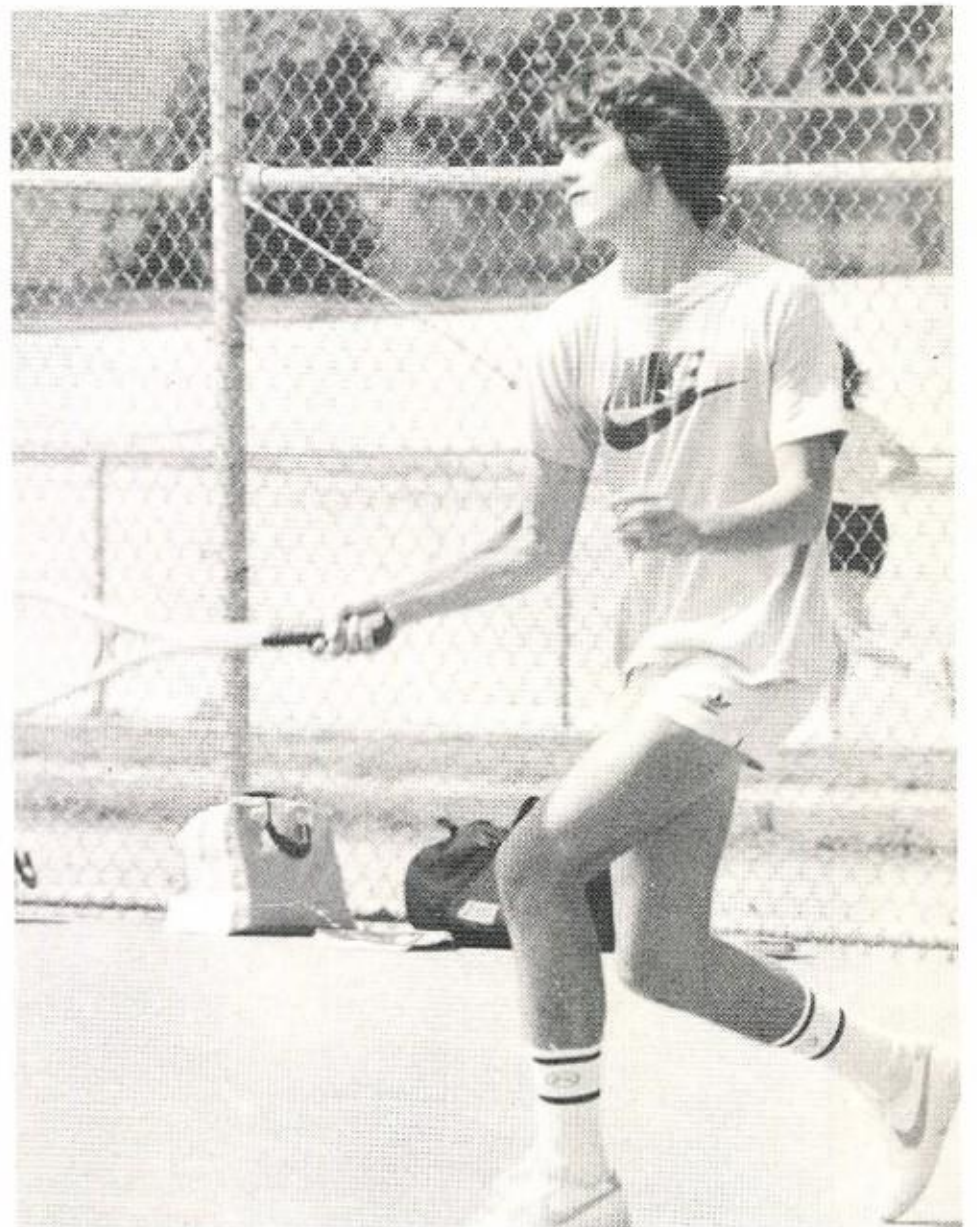

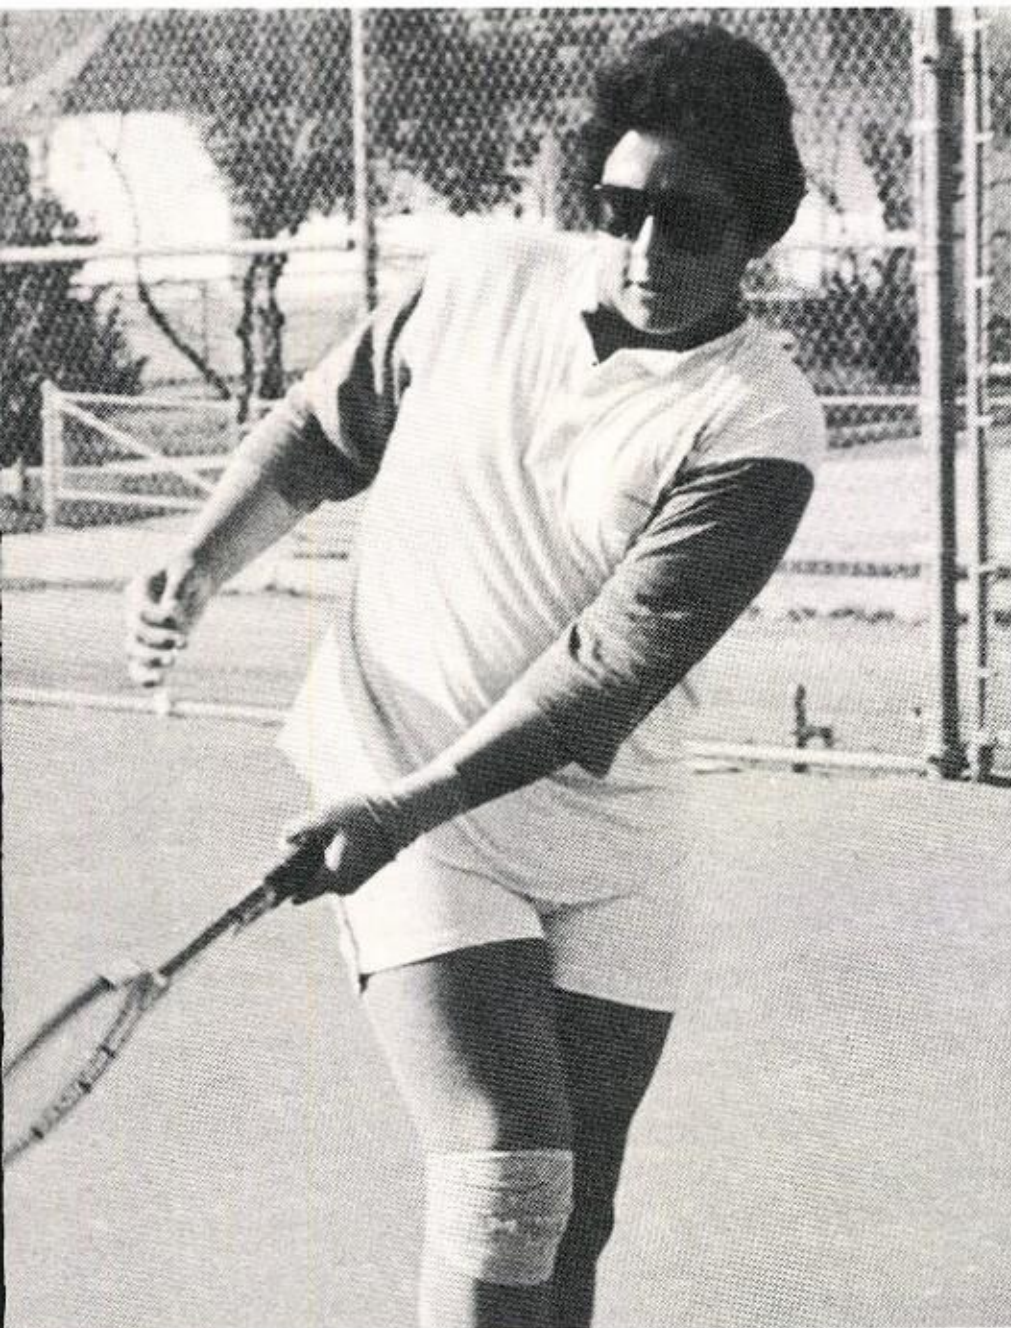

This year's tennis team had a moderate season. Their overall district record was 9 wins and 5 losses. These wins included defeats of Wheatley, Burbank, Sam Houston, Fox Tech and Lanier. Out of district wins included defeats of Edgewood, Memorial, and Southwest.

The major disappointment of the season was the Spring S.A.I.S.D. tournament. Many of the players grew stiff first round competition and as a result, the team finished fifth in district. The major highlight of this tournament was the number one boys doubles team of Joe Sandoval and Alex Hernandez who showed an outstanding effort in finishing fourth in district out of 16 doubles teams.

With valuable experience gained in tournaments such as the fall S.A.I.S.D. tournament, the S.A.I.S.D. invitational tournament, and the Harlandale I.S.S. tournament, and with all team members returning next year, the prospects for a successful 82-83 season appear good.

Soccer Team Looks Ahead

This year the Boys Soccer team faced stiffer, more competitive teams. They ended the season with a 4-3 record. The team had some coaching problems and a lot of tough breaks that caused them to lose some very close games.

Some outstanding players on the team this year were George Trujillo, Rodolfo Corielo, Javier Lagunas, and Estevan Medina.

This year's team will be returning to play next year. With this year behind them they are looking toward next year when this sport becomes part of the U.I.L. and then they'll have a chance to play teams from all over the city and then over the state. The Coaches say that this year's team was young and inexperienced but next year the team will have a very good chance to go all the way.

So for right now all we can do is wait for the time to come and hope that next season team won't have the same problems that this year's team had.

The 1981-82 Girls Soccer Team had a very good season with a 4-2-1 record. This placed the girls in a tie for second place in district. All of their games were won or lost by very close scores. All the players contributed to the success of the team which helped them to such a good season.

Some outstanding players for the girls team were Blanca Hernandez, Chris Vandervort, Sandra Campos, and Yolanda Vasquez.

The girls had an outstanding season and Coach Hallman says that next year will be even better. Most of this year's team will be returning to play next year and with this year behind them, they'll be better than ever.

See-Saw Season

The 1981-82 Varsity Baseball team had all-in-all a good season with a 11-13 record. This was one of the recuperating seasons. According to the coaches, next year will be better.

Some of the outstanding players for this year's team were Johnny Bermea, Paul Alvarez, Paul Solis, and Leonard Vargas. Although everyone contributed to the effort of success.

Next year's team will have the edge of experience over most teams because most of this year's team will be returning.

We're wishing next year's team the best of luck and also good luck to the coaching staff who will hopefully take the team all the way.

The 1981-82 Edison J.V. Baseball Team had a great season going through the season undefeated. (6-0) They were coached by Coach Rodriguez and was assisted by Jay Young. The cubs took first place in district and placed second in the S.A.I.S.D. tournament. Coach Rodriguez's debut turned out to be one of the best shown by a coach taking over a team for the first year.

Some of the outstanding players for this year's team were Edward Cardenas, Mark Wallace, Robert Martinez, Mario Garza (DH), and John Gomez.

The coaches are predicting that next year's Varsity Team will be one of the best in the city.

Something New Tried This Year

During Edison's open house many club members were present to answer questions concerning their organization. They were able to help inform parents and students of the many activities each club performs. Each club has their own characteristics and style. All clubs are different in many ways, but they are all united in one for the purpose of helping improve the quality of Thomas A. Edison.

Another vocational class is C.V.A.E. This class is taught by Mr. Murray and he is here at Edison to help students to find themselves, mainly by developing study techniques and economics of life.

This year the President of the club was Robert Cisneros with the help of Martin Padilla as Vice President. They really didn't have a competitive year, but they did have an exciting year experiencing the added responsibilities of being in this club.

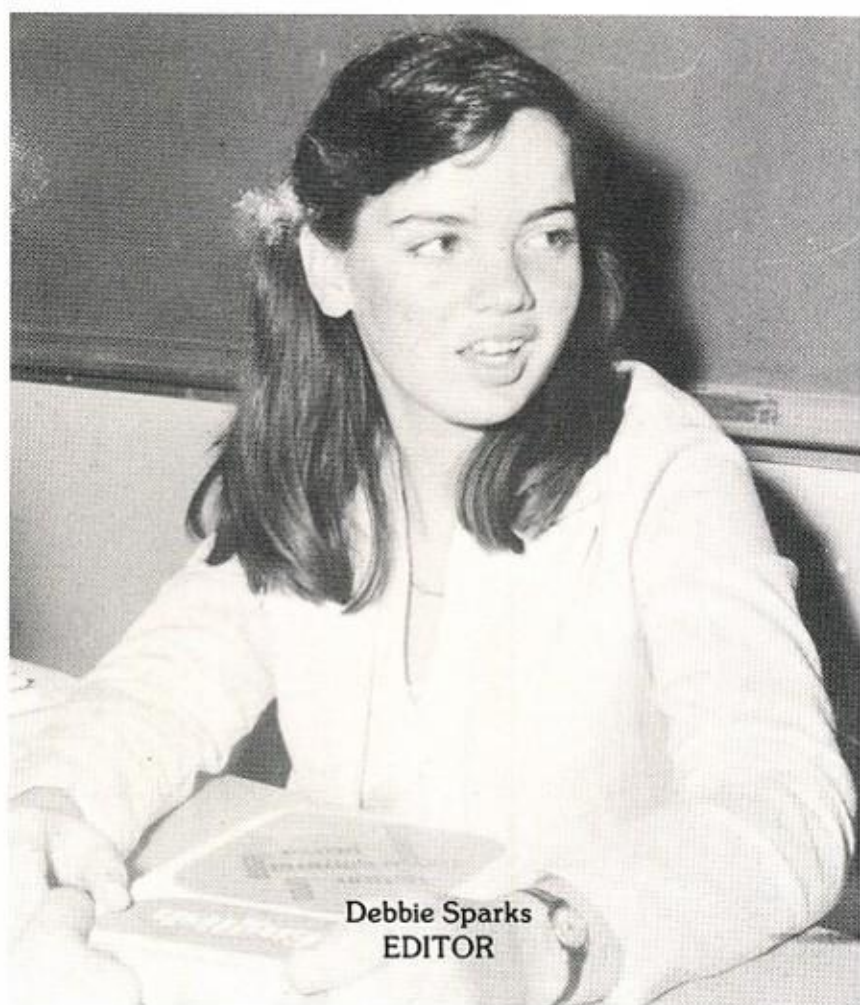

Mr. Murray gives instructions on the board.

The Student Council, whose sponsor is Coach Boucher, has done more than just entertaining the student body with its dances. It has brought a lot of spirit and leadership to our school. Its activities which include their annual Christmas food drive have brought a lot of variety to Edison. This year's Student Council president was Lori Solis who contributed much of her time and effort to make many things possible.

German Club

The purpose of the German Club is to promote the study of Germany, German speaking countries, their people, the German languages, and the German heritage of Texas.

The German Club had two club displays, complete with the German flag and students in costume at P.T.S.A. meetings this year. The club ordered t-shirts with German inscriptions. Several members are planning to attend a German Summer Language Camp this summer.

Row 5: Steve Flores, Charlie Villareal, Ernest Martinez, Roland Sandoval, Roger Tames, Lyndon Duano, Ted Rodriguez.

The Spanish Club sponsored by Mrs. Rita Charles is one of Edison's largest clubs. Originated to encourage the learning of Spanish as a medium of communication and to serve as an example of what can be accomplished by individuals of different ancestry working together, the Spanish Club is very active. This year's activities included raising money for UNICEF by sponsoring a cake sale in October and selling silk roses for Valentine's Day. President of the Spanish Club is Jill Alonzo.

HOSA

The Health Occupations Students of America Club was formed to promote leadership and fellowship and to serve the community better. This club is one of the many vocational courses that represents a bold departure from the traditional educational system. It is college oriented and students learn while they work which helps you see your education in practice.

Math Club

The Math Club has had a good year this year. They started off the year by selling candy. The Math Club did very well raising money from the sale. The Math Club also went on a field trip to Fox Photo Lab Industries.

The students of the Math Club have responsibilities to do their best in everything they try. This includes the Math scrimmages. We thank these students who participated in the scrimmages.

Literary Magazine Staff

The main concern of the Literary Magazine Staff Club is the production of the Spectrum magazine. The magazine is made up of student's poems, art, and short stories. This year the club had an assembly to show other students of what the club is about. Mrs. Masser, the club's sponsor, directed and starred in the annual faculty play, "Badlands Bally Hoo." The Staff presented a special slide show this year in order to advertise for their magazine.

The International Thespian Society was organized to draw students interested in theatre arts together. Members earn points by performing on stage or working behind the scenes as stage crew. The drama club even has their own awards presentation at the end of the year, when the coveted "Eddies" are presented. This year's fall play was "Dracula" and the spring UIL play was "Catherine Howard". The drama department also added a senior play in January. The performance of Neil Simon's "The Good Doctor" by an all senior cast, had a great response from the student body. This year's president was Phillip Lobo.

The purpose of the NFL Club is to bring together all the people interested in public speaking, whether it's prose, public speech, or poetry reading. This club helps promote interest in oral interpretation and other speech activities.

Future Homemakers of America

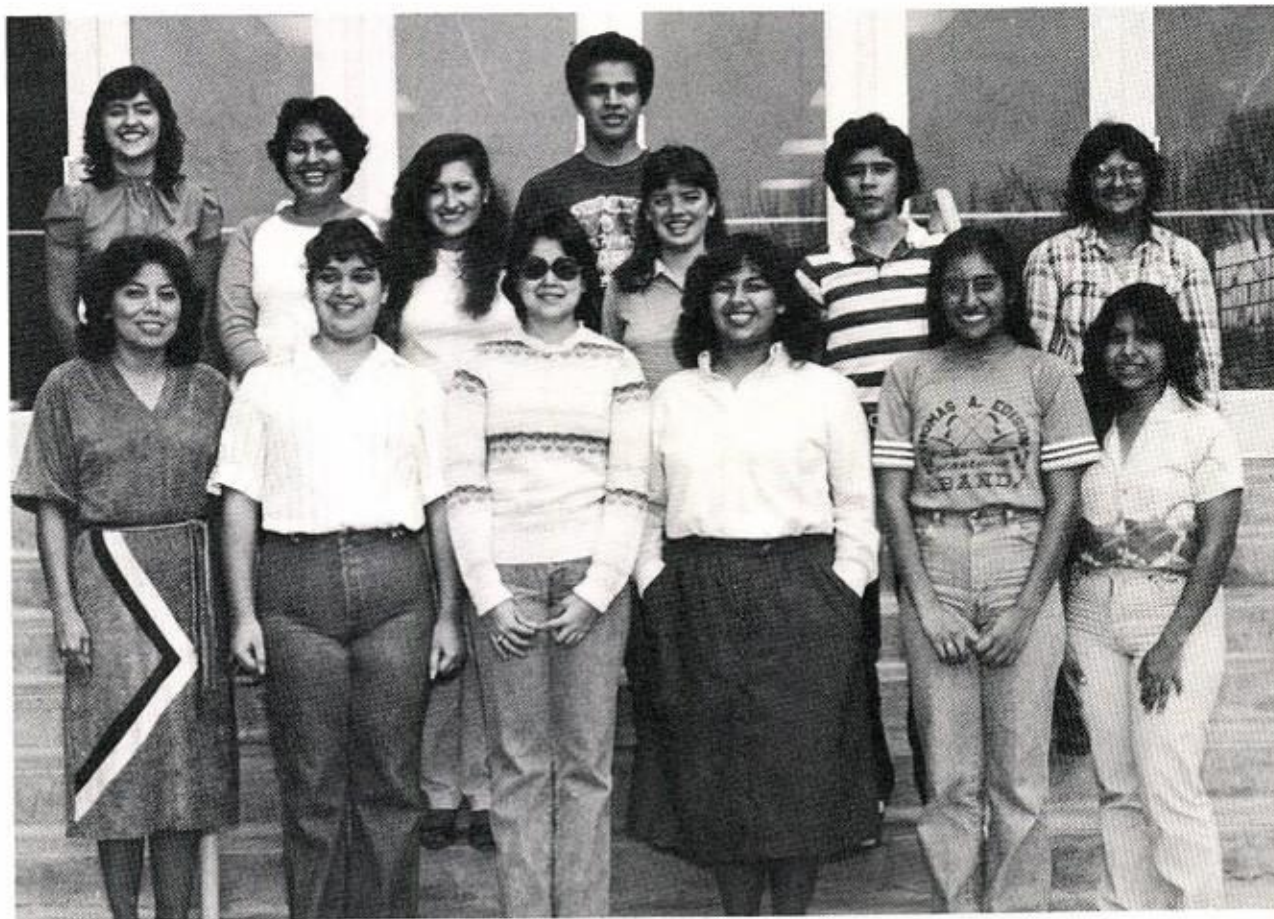

The Future Homemakers of America Club is a club which helps students to learn to improve their own family life and environment in which they live. Members learn to communicate with their community better.

Thomas A. Edison

The Edison Golden Bear Band displayed both pride and talent as they got underway this year under the direction of Mr. Travis McCown. The Band really stood out this year with their new bright, black and gold corp style uniforms. The Band worked together to perform with quality at all the halftime shows and at the UIL competition. This year they received a rating of a 1 in inspection and a 2 in marching.

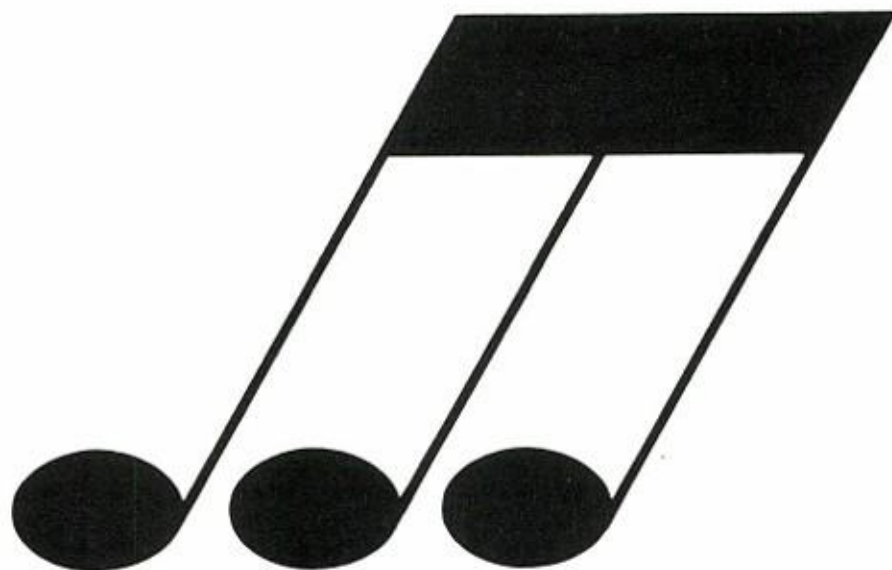

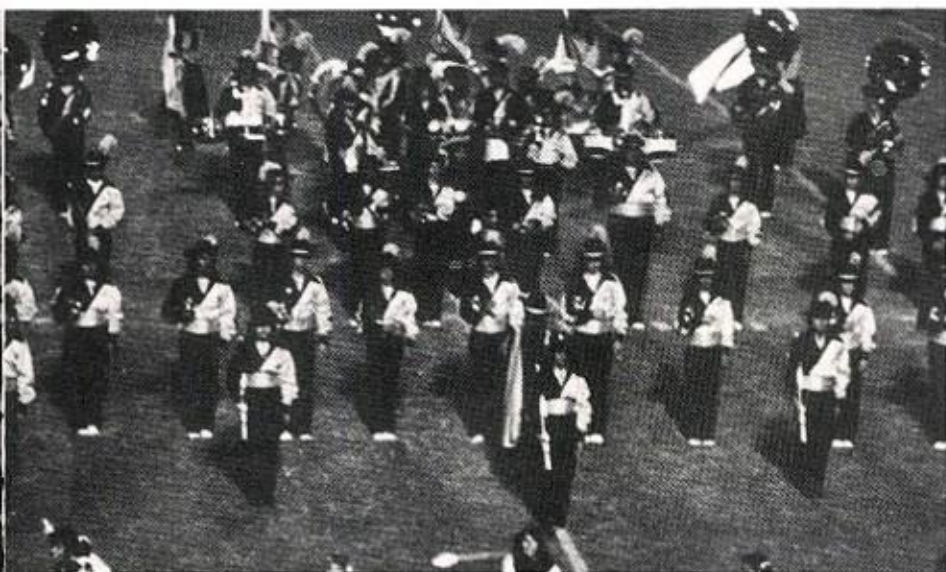

When football season was over, the band worked very well as a group preparing for other activities such as the Annual Christmas Band Show and the Battle of Bands. The Battle of Bands starts off Fiesta week here in beautiful San Antonio, followed by the Battle of Flowers and the Fiesta Flambeau Parades which the band also participated in.

Our Bear Band ended this year with the spot light focused on the Seniors of 1982 with the Annual Senior Band Show. Over all the Edison Golden Bear Marching Band had a great year and plan on having many more in the years to come.

Band Parents

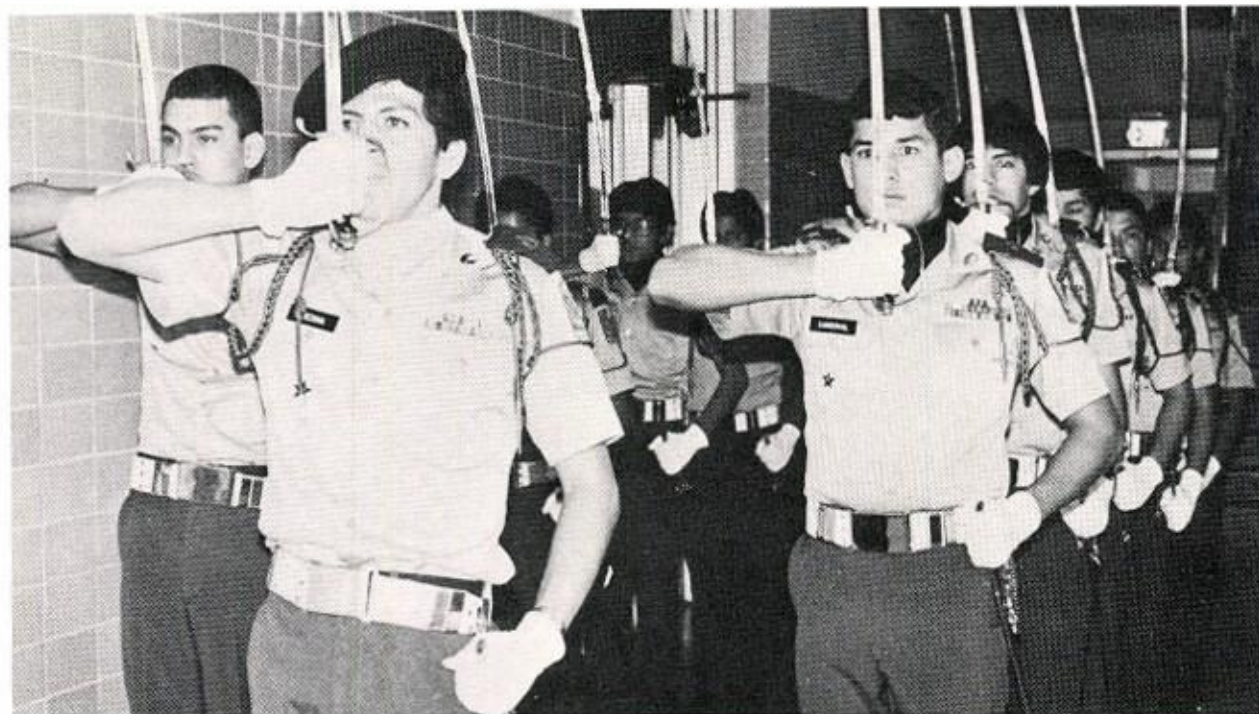

The Edison Band is very lucky to have their parents and Mr. Travis McCown sponsor them.

The Band Parents meet once a month to discuss upcoming events and to find fund raisers the band will enjoy participating in. All of which will eventually pay for music, bus bills, and equipment they will need during the year.

The Few, the Proud, the R.O.T.C.

The purpose of R.O.T.C. is to teach leadership. Leaders are not born, they are trained, and in the R.O.T.C. they get that training. Good citizenship, self-reliance, and communication are very important as well as physical fitness. Before they graduate high school, they will know what it is like to have leadership, and to have some kind of dedication, self-discipline and responsibility.

First row: Left to right: Ralph Gutierrez, Juan Rodriguez. Second row: Danny Hays, James Rayford, Martin Rodriguez.

Special Teams Learn Tricks of Trade

You may not know much about Garrison, storm or post but the Color Guard does. They make it their job to take care of the flags and display the flags that not only represent their unit but their country as well. They participate in football games and other functions.

The First-Aid team teaches members to treat casualties before medical personnel arrives. It's a specialized unit made up of R.O.T.C. members that are trained as First-Aiders. These members learn the difference between a tourniquet and a bandage and learn to apply materials such as these to special wounds that require them.

The Orienteering team learns about map reading, and learns about compass skills as well. They learn to take on the world with outdoor activities and go on cross country trails by foot. They experience what it is like to be on their own, even if it is just for a few hours. They've worked hard this year and will, undoubtedly continue to work hard as long as there is an R.O.T.C.

Auto Mechanics is a group of young men, mostly made up of juniors. Some of the things they learn in auto mechanics is tune-ups, frontend work, carburetor overhauls and brakes. The sponsor of Auto Mechanics is Mr. Jesse Guzman. This year they participated in VICA State Competition. Among the prizes won were: 1st. Mike Garza—Ford power steering pump, 2nd Kenneth Jasek—over 194 cylinder heads, and 3rd Noe Herrera—Volkswagen heads. Auto Mechanics is a three year program which you start in your Sophomore year. In your Senior year you learn about diesel mechanics maintenance.

Willie Alonzo shows what he can do in mechanics.

Radio & T.V.

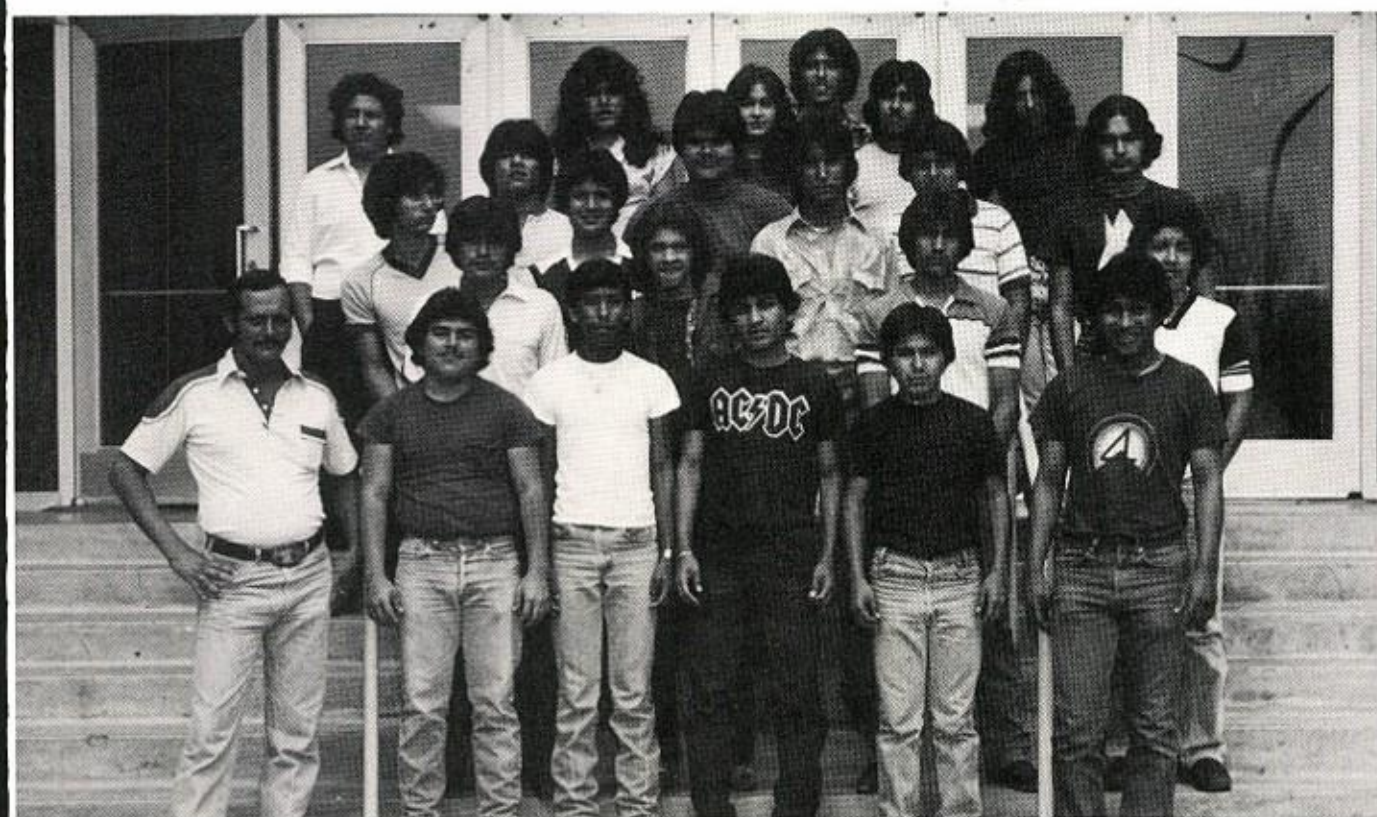

What do students in Radio & T.V. have in common? Well for one thing they have experience in maintaining the P.A. system for all the special activities held in the auditorium. They also set all light fixtures for plays and assemblies held for all Edison students.

Mr. Cunningham teaches students to fix all sorts of radios and televisions, as well as basic electronics for later in their future.

Paint & Body

Paint & Body is another on the job training program. This program prepares students to learn how to repair damaged automobile bodies, upholstery, electrical and air conditioners.

A student may wish to specialize in any of the repair areas. However this is only a small portion of the repair job.

In this program students also use all types of hand and power equipment including hydraulic jacks, pulling devices, filing, grinding and sanding. A student also learns to use the oxyacetylene torch as well as the welding equipment in the repair process.

Edison Body Shop offers students a three hour program, for three years, beginning as a Sophomores through their Senior year.

If job training and a chance at employment seem impossible, ICT may be able to help. ICT stands for Industrial Cooperative Training. It's a program set up to allow a student the opportunity to train for jobs dealing with heavy industry. Fields that are involved include welding, air conditioning, refrigeration, auto mechanics, plumbing and computer programming. This year the ICT students had a terrific time at competition. The State winners were Charles Ricks at Dry wall applicator, and Daniel De Los Santos at sign painting. These students came in first place for their student exhibits. Charles Ricks for Dry wall applicator, Daniel Paiz for Maintenance equipment mechanic, Daniel De Los Santos for sign painting and Rex Colbath for welding.

For Best Skills: 1st place; Charles Ricks—Dry wall applicator, Danny De Los Santos—Sign Painting, Walter Quinones—Audio "Radio" Servicing, Danny Paiz—Building Equipment Repair.

Senior Class Officers

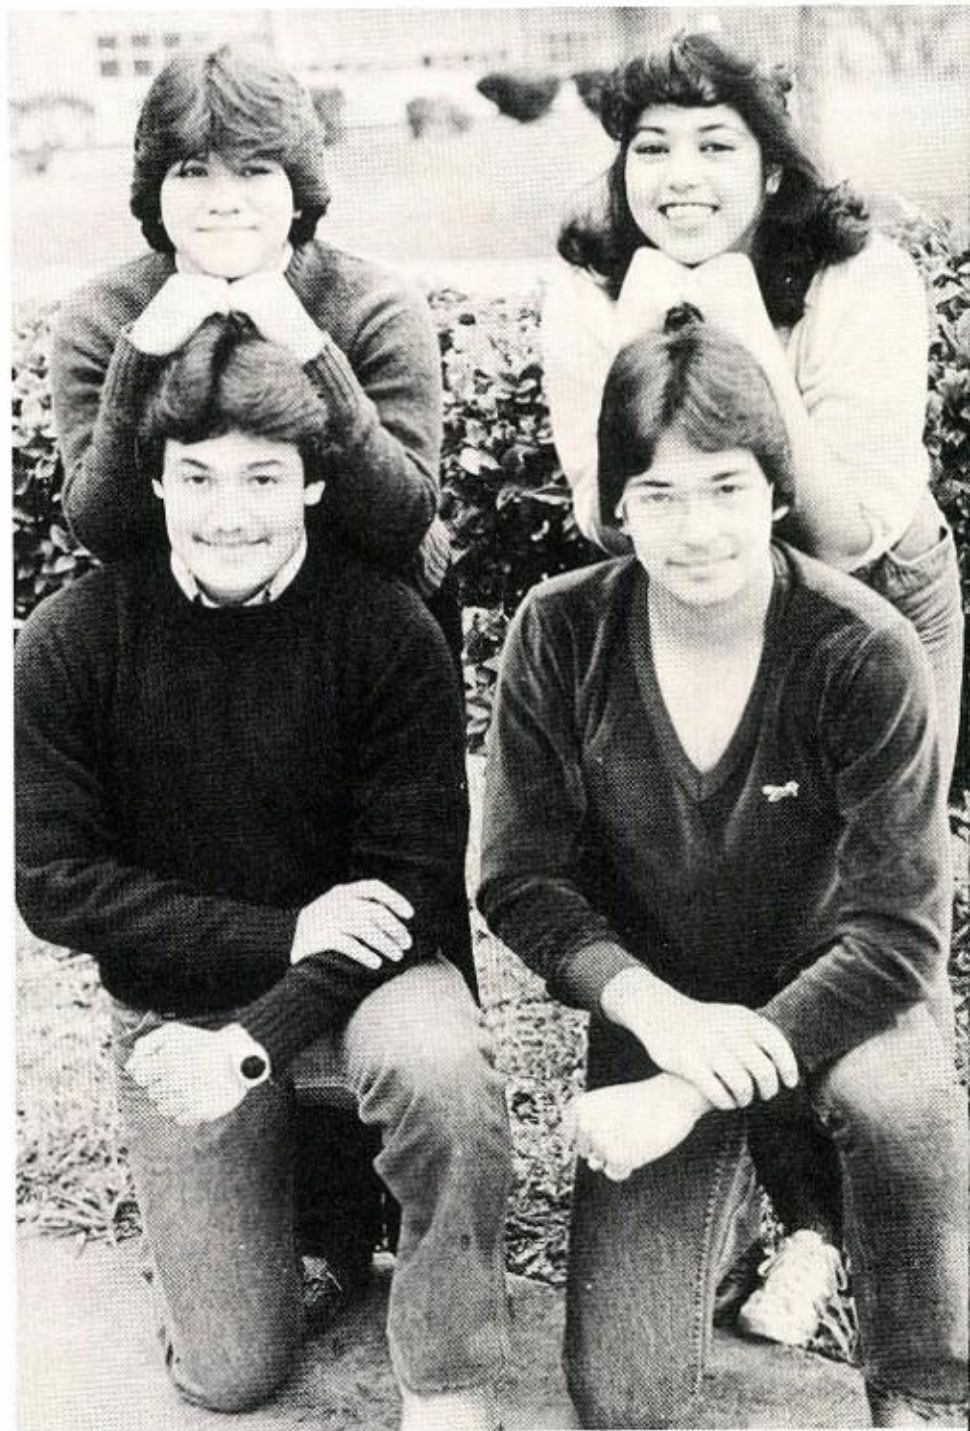

The kids of yesterday are now the graduates of 1982. These 350 seniors have been through a lot, from attending Jefferson High School when the school was in repair from the fire in 1979, to the snow day their senior year.

From the beginning of their freshman year with no class officers to their sophomore year with president Mary Gutierrez, junior year president George Trujillo, to presently Daniel Uranga, all together they worked to give the class of '82 one of the best classes E.H.S. has ever had.

Athletic wise the football team captured the title of district champs. This accomplishment had not occurred in 23 years. Baseball, Track, Basketball, and Volleyball teams also gave their opponents something to remember.

May 28, the senior class of '82 celebrated their graduation at the Convention Center Banquet Hall #1. They named the White Rose as the class flower, Burgundy and silver as the class colors, and "We Wouldn't Have Missed It for the World" for the class song. "Not so much the way it is but the way we remember it to be. For the memory is part of us, and often more beautiful than reality", is the class motto.

The teachers, students, coaches, deans, and counselors will never forget the class of '82.

Officers: President: Danny Uranga, Treasurer: Paul Alvarez, Vice-President: Jackie Gomez, Sec.: Anabel Sifuentez.

Row 1: Left to Right. Danny Uranga, Anabel Sifuentez, Jackie Gomez, Paul Alvarez. Row 2: Susan Saenz, Brenda Yanes, Candy Alvarez. Row 3: De La O, Felice Gonzalez, Pat Vargas, Cindy Arnett. '82 the Class with Class

We are Young and Tough

The Junior Class was very busy preparing for fund raising activities. They worked hard and achieved much this past year. The Junior Class was one filled with enthusiasm as spirit was seen in the attendance of pep rallies, fund raisers and many clubs and organizations. The Junior Class introduced the Board of Executives which was formed by students most interested in the success of this class, decided on the key issues. The Junior Class was then responsible for informing the other members of proposed functions. Although this year was a year of success for the Junior Class of 82! Good Luck, next year to the Class of 83!

The Freshmen Are Here

The freshmen of Edison are special people. Sure they're new to the school, but they sure aren't new to the excitement. They've come a long way. They're finally at high school and are doing fine. They've joined clubs, sports, and helped with their spirit at all kinds of events. It's always new and exciting for the upper classmen to check out the new group of freshmen. We could say they're always welcome.

WELCOME FRESHMEN!!!

Patterns—Part II

The Good Dr.!

Time: Second period.
Date: January 26.
Theme: The Good Doctor.
Activity: Senior play.
Mood: GREAT!

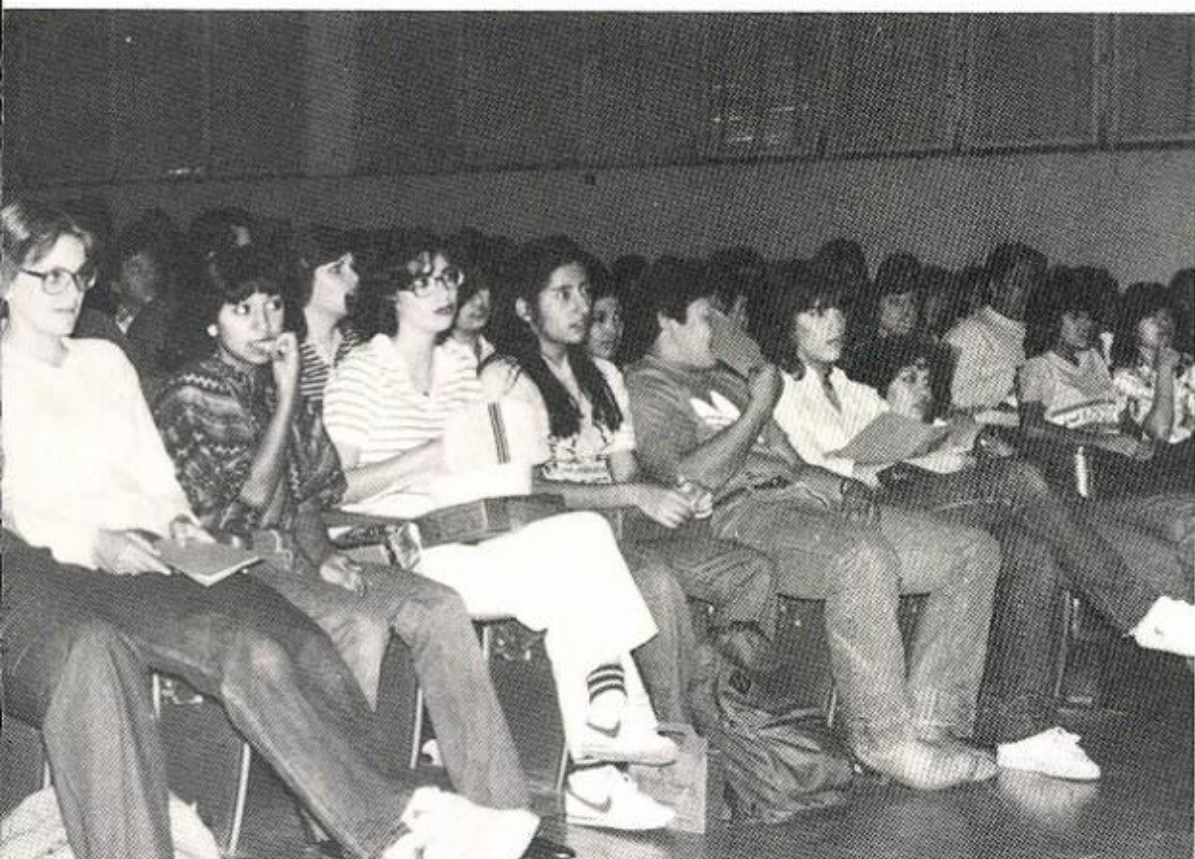

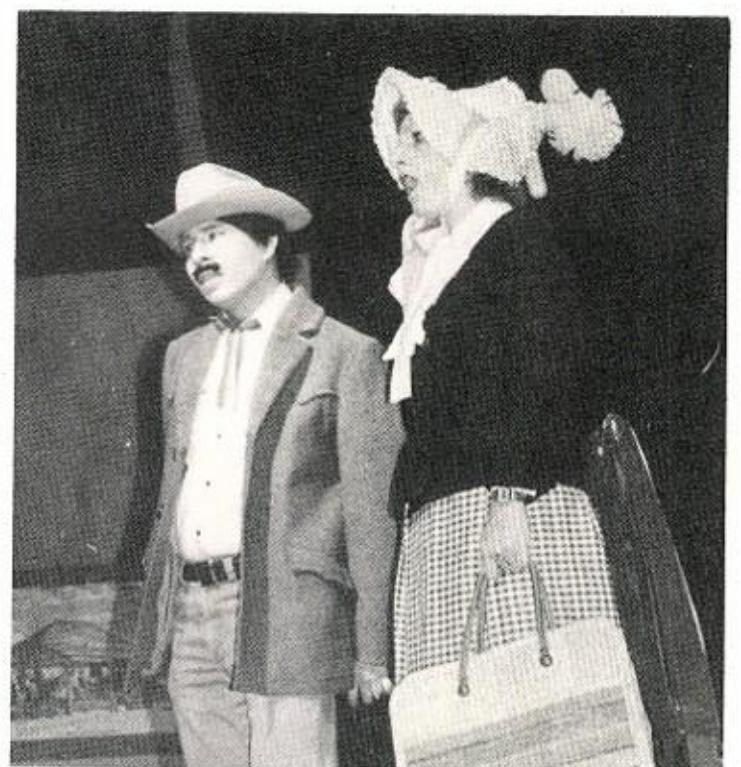

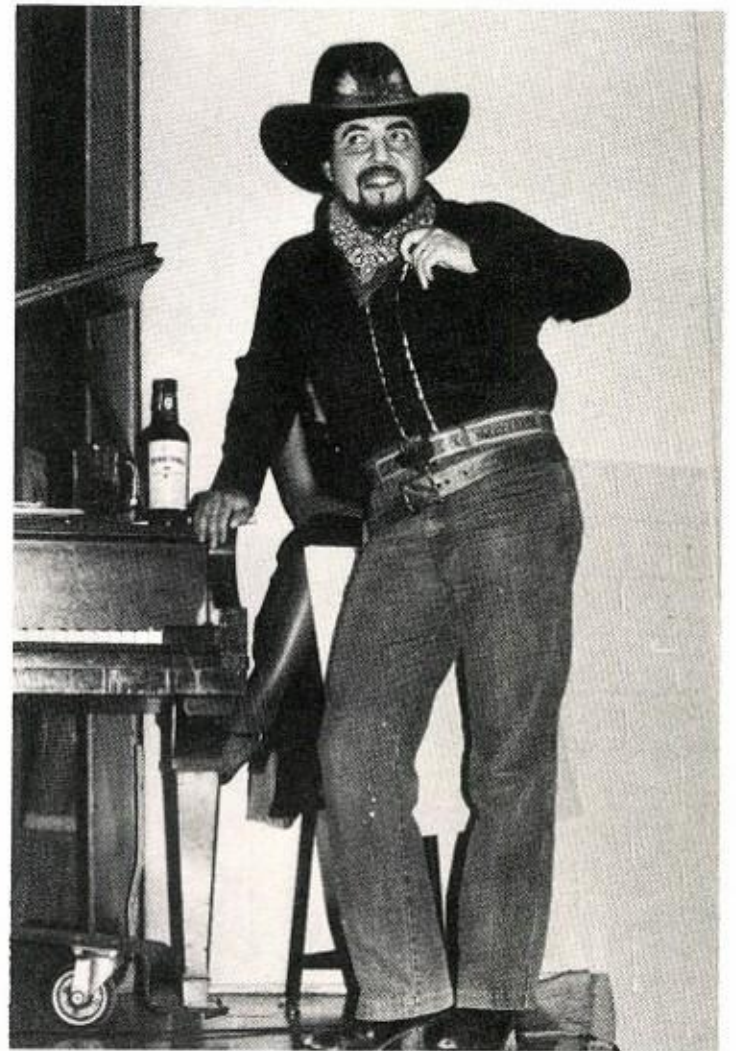

1. Danny Uranga and Richard Hernandez having a few laughs. 2. Vangie Cuevas in deep thought. 3. Phillip Lobo needs glasses? 4. Cast: Danny Uranga, Denna Herrera, Cindy Gallegos, Phillip Lobo, Paul Alvarez, Richard Hernandez, Vangie Cuevas and Joseph Atterbury.

Bad Lands Ballyhoo!

"Bad Lands Ballyhoo," was the title of this year's Faculty play. It was a day when we saw a different side of a few of our favorite teachers. The play was during second period on February 19.

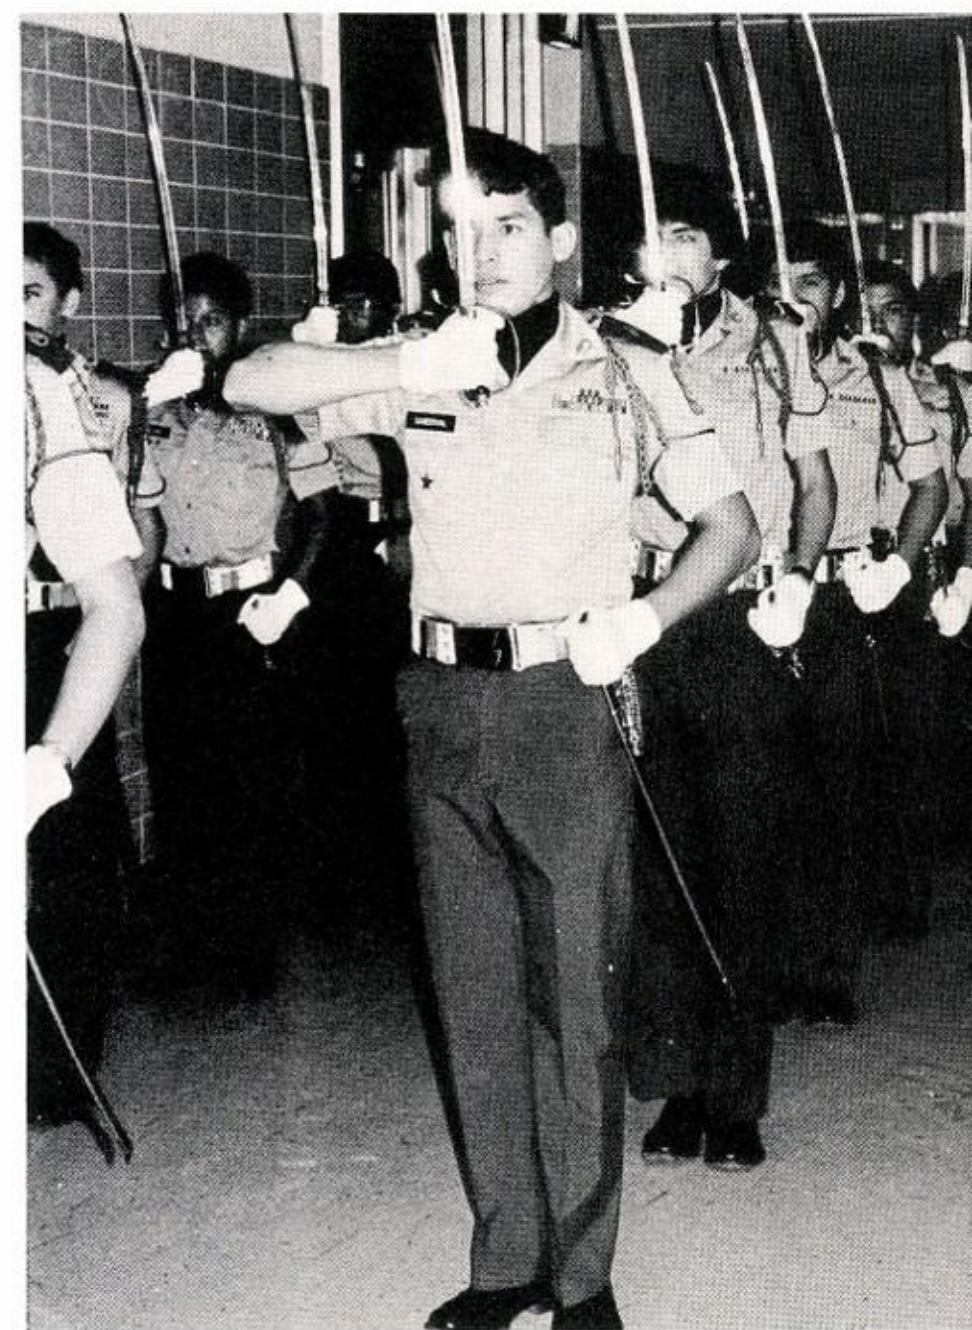

Top Left: Homer Gayton tries to tell Nell Mitchell about the facts of life. Middle: Homer Gayton puts a curse on Rudy Martinez. Bottom: Edison students try to laugh. Top Right: Rudy Martinez, "THE BAD GUY". Bottom: Joe Gonzales attentantly listens to Cindy Stebbins.

"Let's Get Cracking!" . . .

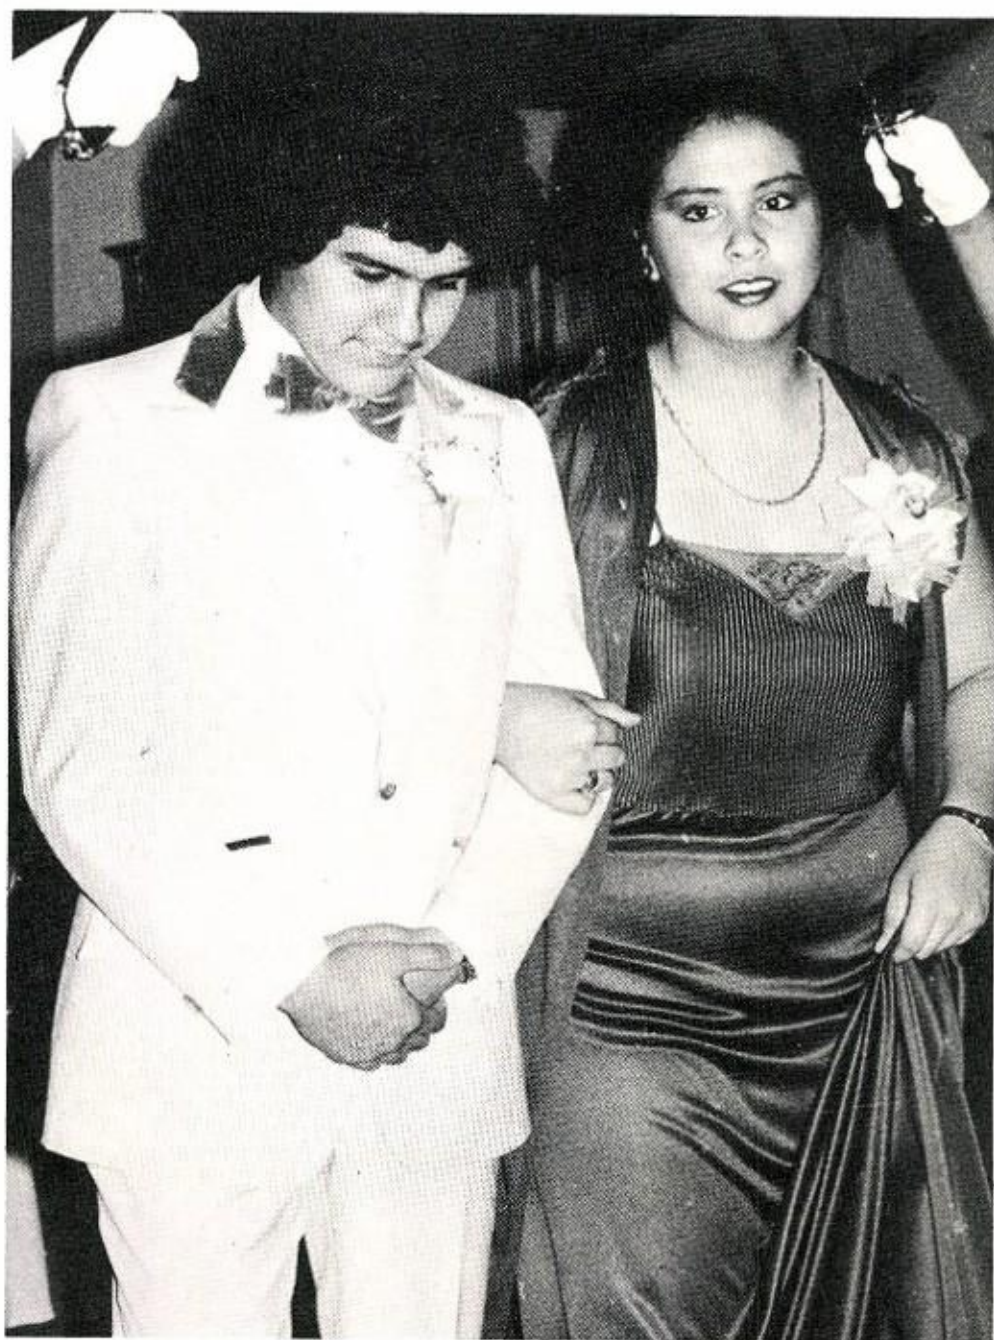

The Annual Military Ball was held in the Edison Mall on January 29th. The ROTC really got "cracking" at their ball this year. They shed their skins at the beat of the Air Force Band. The decorations, Donna Wong and her committee took care of that. The band was The New Approach, sponsored by the Air Force.

The cadets raised money for their great event by selling candles. Without a doubt the ball was a very successful one.

Right top: Claudia Velazquez listens closely to what Sgt. Major Hendrick has to say. Right left: Kim and Debbie Ng are all smiles after going through the line. Left: Felix Sandoval is ready to lead the Grand March.

at Military Ball

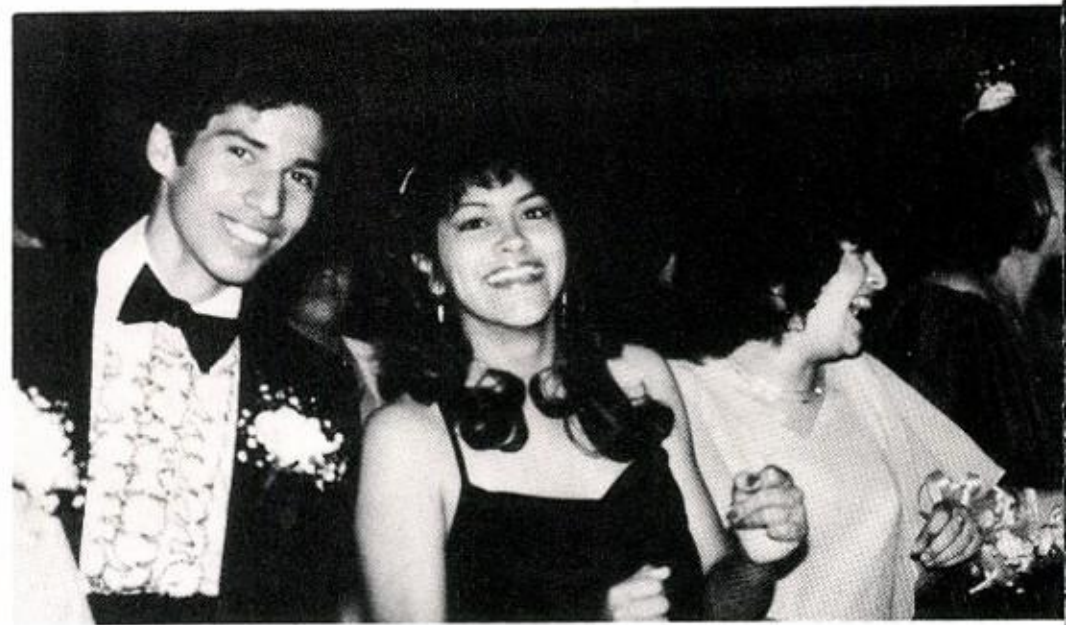

An Evening in Paradise

Prom night, this year was certainly an evening in paradise for all those who attended.

The Black and Gold was sponsored by the Honey Bear Pep Squad, Mrs. Bauman sponsor, Denise De La O president.

Rize was the band, who played extremely well. The prom was on the evening of

Top Left: Jaime Salazar and Sylvia arrive in style. Bottom Left: Mike Ledesma and Diana Campos at Black and Gold Prom. Top Right: Monica Estrello and Mark Ruiz dance their hearts out. Middle Right: Denise De La O, President of the Honey Bear Pep Squad, is presented with a plaque from Pep Squad Sponsor Mrs. Bauman. Bottom Right: Javier Briones and Cindy Saenz dance the night away.

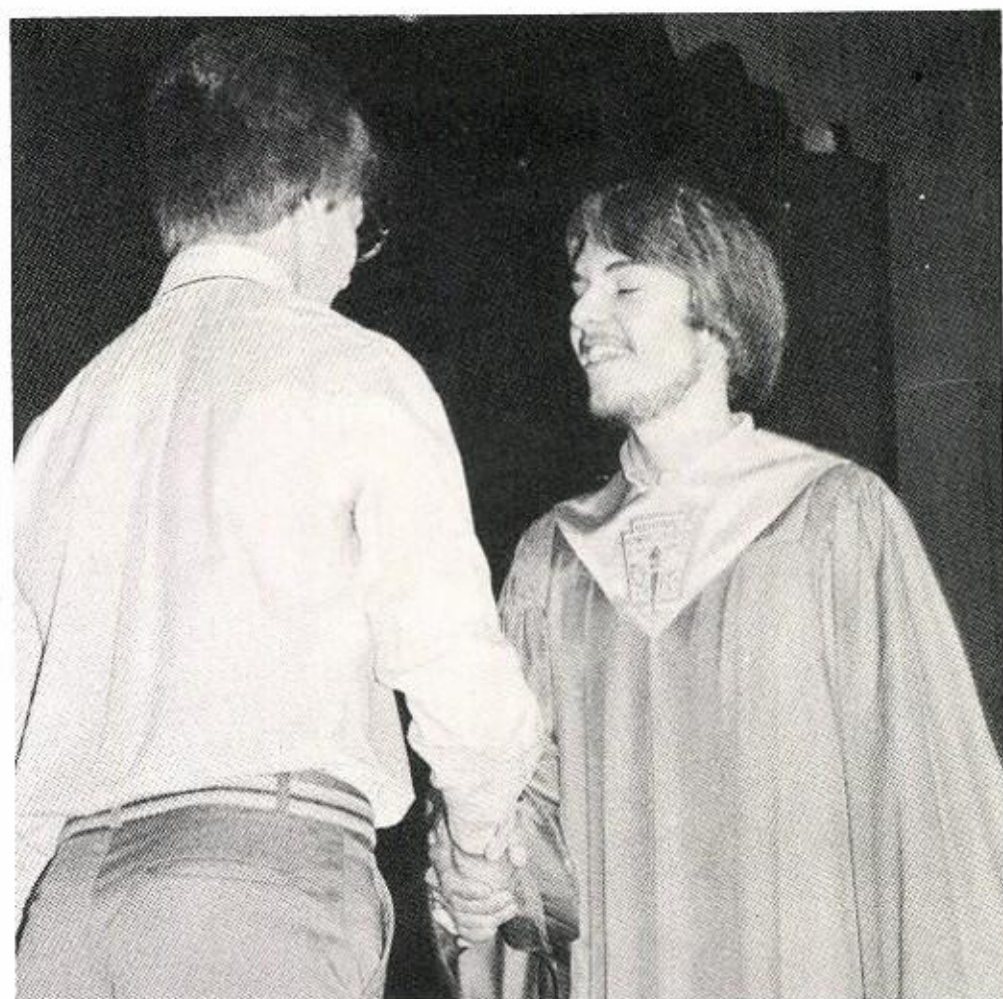

Proud New N.H.S. Members

N.H.S., the largest honor any student at Edison could receive.

The National Honor Society induction was held on May 4th during second period. Only selected classes were invited to enjoy this big event. In order to qualify for this honor you must start working since your Freshman year. You must hold a 3.5 grade point average, and have an excellent citizenship record.

Top Left: Excited new members are waiting. Middle: Cindy Mendoza, gives Debbie Lopez a hug for joy. Bottom Left: Hilario Fuentes waits patiently for Josie Rios to be inducted. Top Right: Richard White, congratulates Scott Cox. Bottom Right: Francine Abrego overjoyed.

Musical

Farewell

The annual Senior Band show was held May 7, for the entire student body. The entertainment was given by Sylvia Najera, the only senior twirler. The stage band and choir also helped in their share of the entertainment.

But it was Cindi Arnett and William Rodriguez who made the seniors once again realize how close graduation really was. While Cindi played the piano, Will sang the senior song, 'I Wouldn't Have Missed It For The World'.

All in all the show was a success, everyone realized that the seniors would soon be leaving good ol' E.H.S.

This page; Left: Will Rodriguez sings sr. song. Top Right: Pat Vargas represents R.O.T.C. Middle: John Carter and show off trophies. Bottom: Marcie Smith and Lorraine Gonzales sing fight song. Next Page; Top: Varsity Cheerleaders lead in prayer song. Top Right: Harold Flores looks a little scared. Bottom Right: Brenda Yanes, Marcie Smith, Lorraine Gonzales are all high in spirits. Top Left: Felicia Phipps and Gilbert Barrera are all smiles. Bottom Left: Michael Ledesma enjoys being a senior.

The Last Dance

The seniors of 82 had one of the best proms any seniors here at Edison have had in a while. The senior class started working early in order to raise money for a May 7 prom at Turtle Creek. The class sold jewelry and did many other money raising activities. In order to have a prom no one would forget it would have to look pretty good. So it took only 7 seniors and a couple of sponsors to fix that. These seniors and sponsors were up early to help decorate the Turtle Creek Country Club, and were back up there by 7:30 for "PROM NIGHT".

Nell Mitchell and Homer Gayton, senior class sponsors.

Left: Jackie Gomez, Gilbert Barrera, Cindi Gallegos, Doug Dalglish, Nell Mitchell, Anabel Sifuentez, Denise De La O, Homer Gayton, and Susan Saenz, the crew of 7 seniors and 2 sponsors. Top Right: Middle Left: Cindi Gallegos sets table. Middle Right: Susan Saenz thinks it has to be just perfect. Bottom Right: Denise De La O and Anabel Sifuentez still smile while working hard.

'They're All Peppers''

Senior Prom 82

Top Left: Mrs. Christopher looks delighted at the Prom. Bottom Left: Candi Alvarez shows a smile. Top Right: Couples enjoy the prom and strut their stuff. Middle Right: Lisa Diaz waits while Mario Ruiz has a great laugh. Bottom Right: Abraham Rodriguez and Darlin Theinpont show they can enjoy a prom.

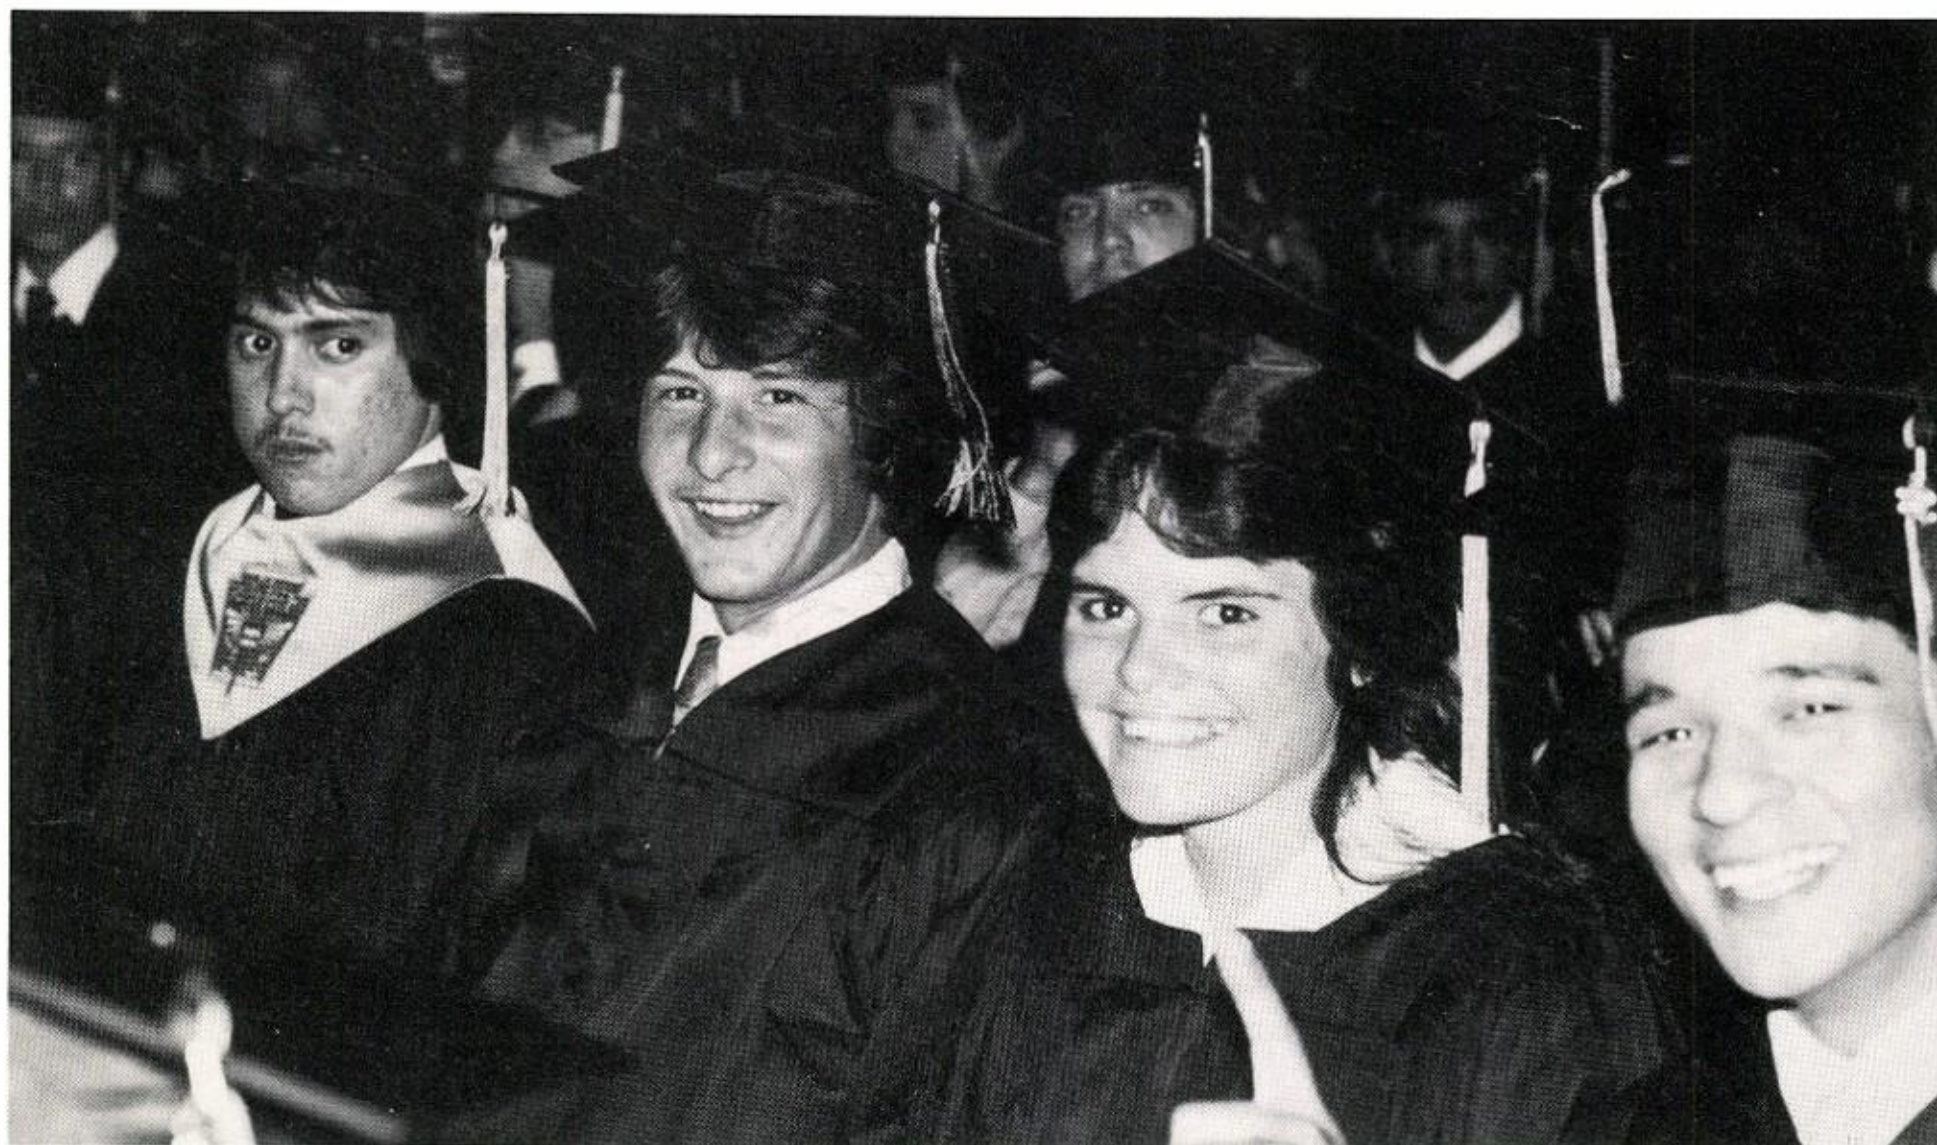

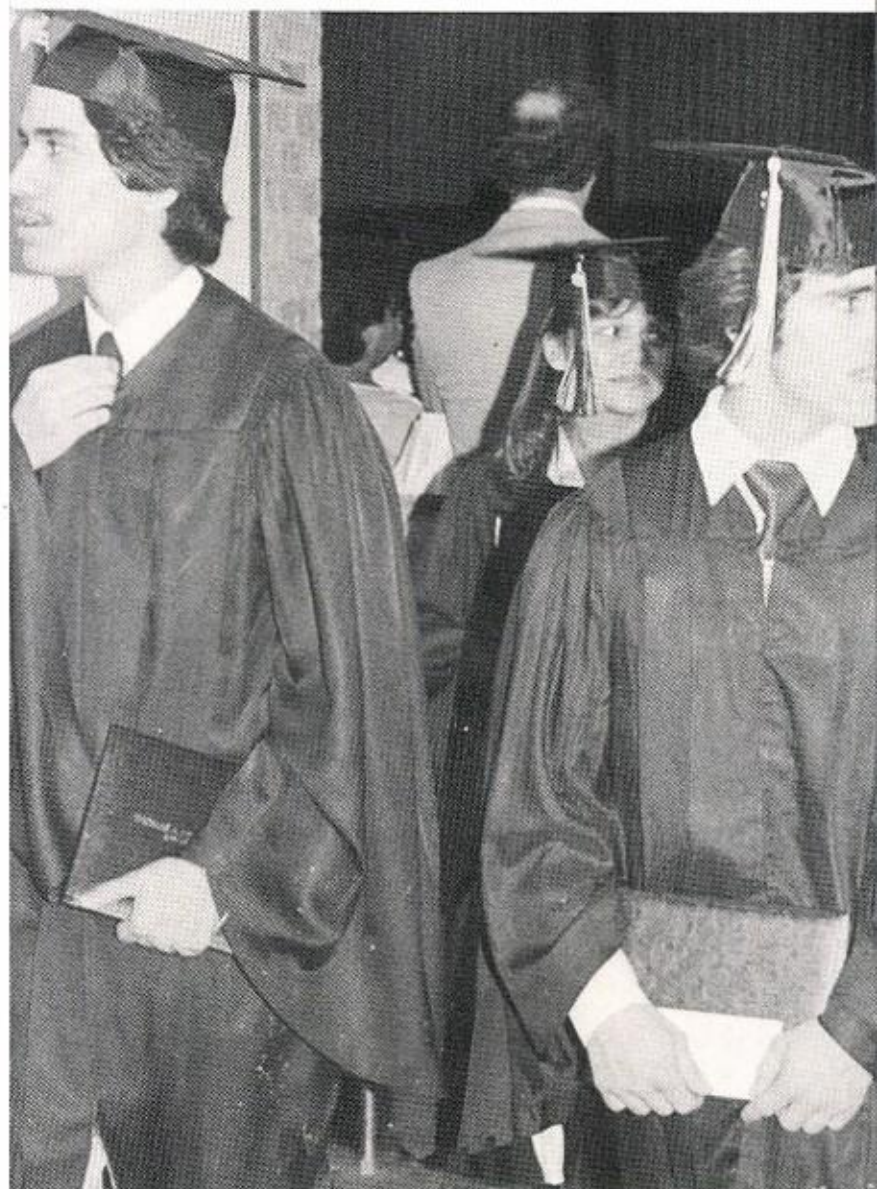

Long Live The Class of 82!!

The graduation of this year's senior class was held the night of May 28, 1982 in Banquet Hall #1 at the Convention Center. 350 restless seniors showed up for the long morning rehearsal and by 8:00 p.m. the class was getting more anxious about graduating. Every member of this class was a winner in his own field whether it was athletic or academic. There were also those who had already reached the ultimate goal of total satisfaction.

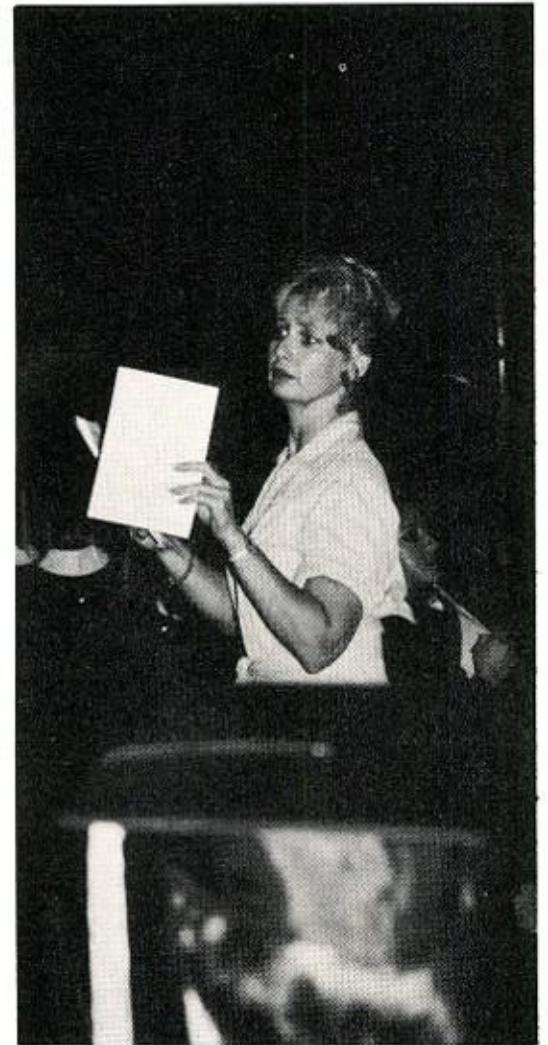

Will Rodriguez, accompanied by Cindy Arnett, sang the class song "I Wouldn't Have Missed It For The World" for the last time to the senior class. Both the class and audience listened in silence, overwhelmed with emotion.

In his address to his fellow classmates, valedictorian Robert Dalglish challenged everyone there to be "Happy in Life". After the recognition of honor students, Mr. Henry Young presented the class to be certified. Diplomas were handed out by Dr. William Elizondo and Mr. Tom Lopez. Following The Class President Danny Uranga, the class moved their tassels from left to right. By the roar of the Class you realized how proud they were of themselves and what they had accomplished. At that time Phillip Lobo gave a motivating benediction. Next the graduates marched in the recessional with pride and joy in their hearts.

CONGRATULATIONS SENIORS OF '82!!!

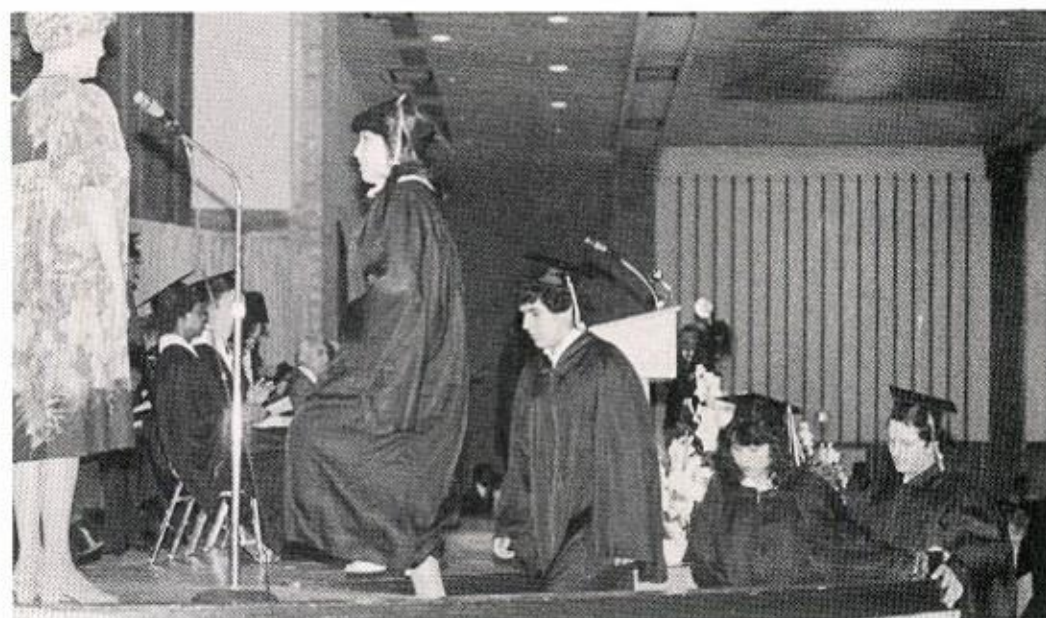

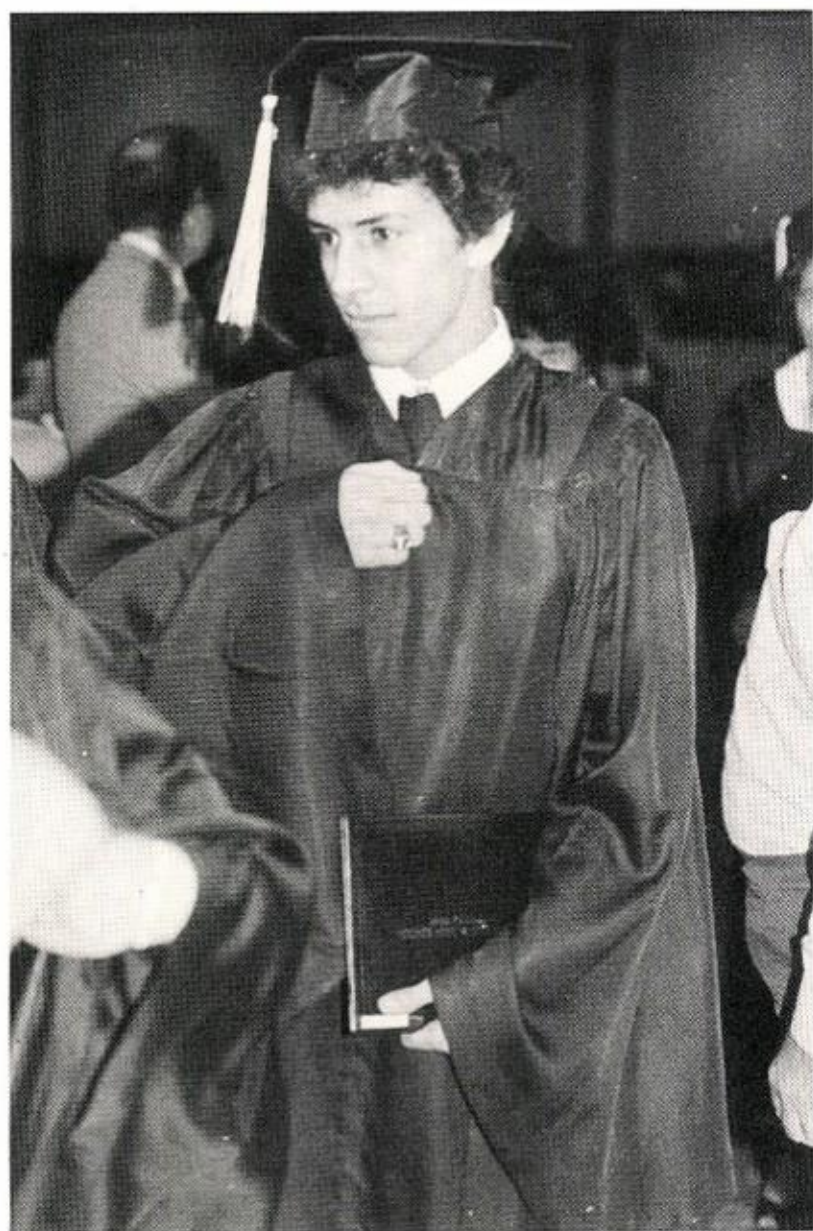

Mixed Emotions . . .

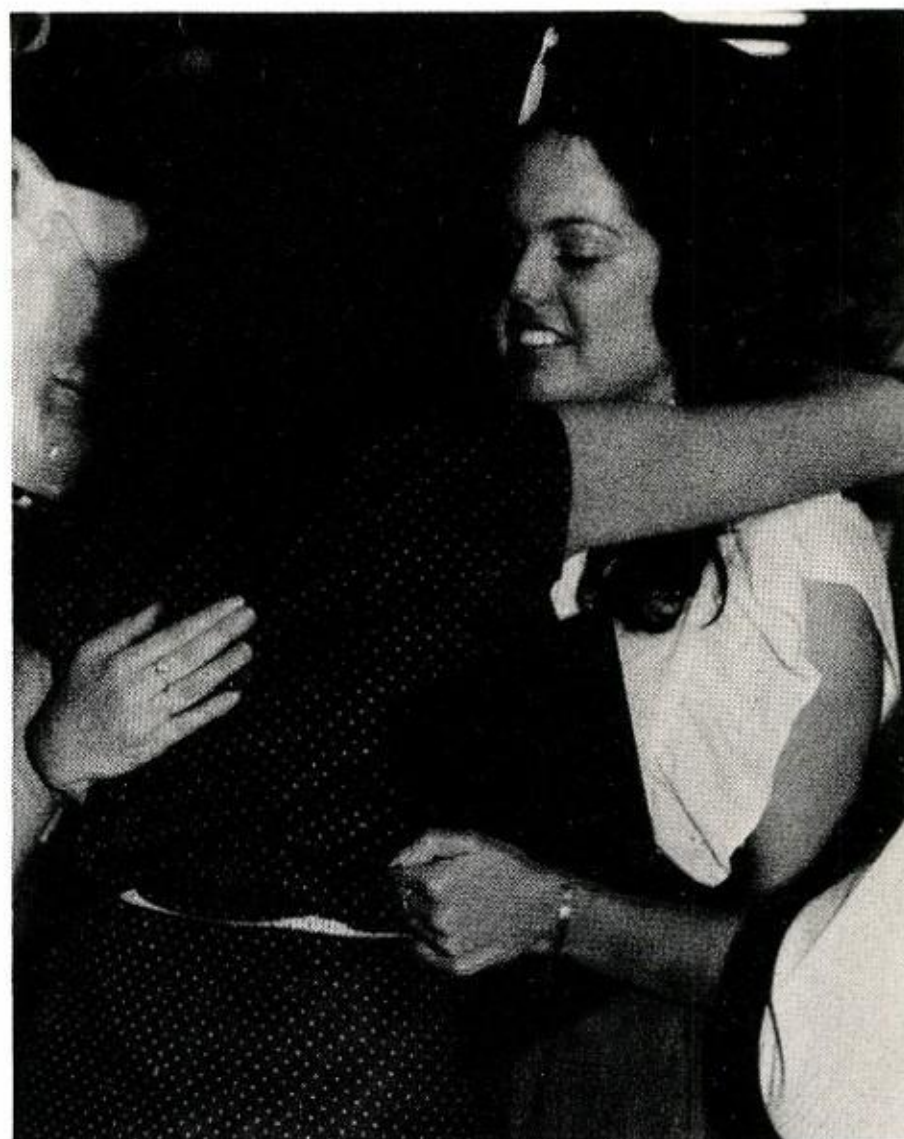

Top Middle and Bottom Left: Seniors, have their mixed emotions. Right: Seniors will long remember Ms. Nell Mitchell, one of the two class sponsors.

SENIORS '82

They Wouldn't Have Missed it for the World.

Next Page: Left: Javier Briones wonders what's in store for his future. Top Right: Seniors in last min. preparations. Middle: Harold Flores "Tinkled Pink". Bottom: Seniors, Line up to receive diplomas. This Page: Top Left: Cindi Arnett, and Mary Rodriguez "It's finally over!" Bottom: Seniors, George Trujillo and Ernest Trevino show they still have E.H.S. spirit. Far Right: Kim Munoz, tears of joy.

The elegance is obvious.
The price is a delightful surprise
from Lady Seiko Quartz.

Beneath that slim exterior, beyond that elegant bearing,
lies the soul of Lady Seiko Quartz. Never the fuss of winding.
Accuracy that achieves near perfection. And because
it's a woman's prerogative to have her way, there's a rich choice
of shape, dial color and style, all expressed here in
lizard strap and gold-tone case design. One is sure to be
irresistible. Seiko Quartz. 

You get the best of Seiko only where you see this sign.

One Day

One day I'll wake up
And
The world
 will be going too calmly without me.

Trains will run,
Clocks will chime,
Rain will fall,
All
 without my avid participation.

And I will climb up
 on the rooftops,
And yell,
 "Hey, look, here I am—it's me!"

But,
The trains will still run,
Clocks will still chime,
Rain will still fall.

And I will cry desperately,
 Realizing
How little I matter
In a world of so many
 With so much.
 Ellen Cunningham

PRAYER SONG

Golden Bears Keep Winning,
For the school that
we love best,
you know that
we are for you,
you have more than
stood the test.

Loosing days are over,
Come and fight us now,
who dares.

Show them now who's shining
Keep On Winning,
Golden Bears.

Patterns We Must Follow . . .

Top Left: Mark Ferro and Leonard Vargas do everything but play Baseball. Top Right: "Is this the right pattern?"—George Trejuillo says to James Kercheville. Bottom: "Ain't she a pretty sight?"

We Take Form . . .

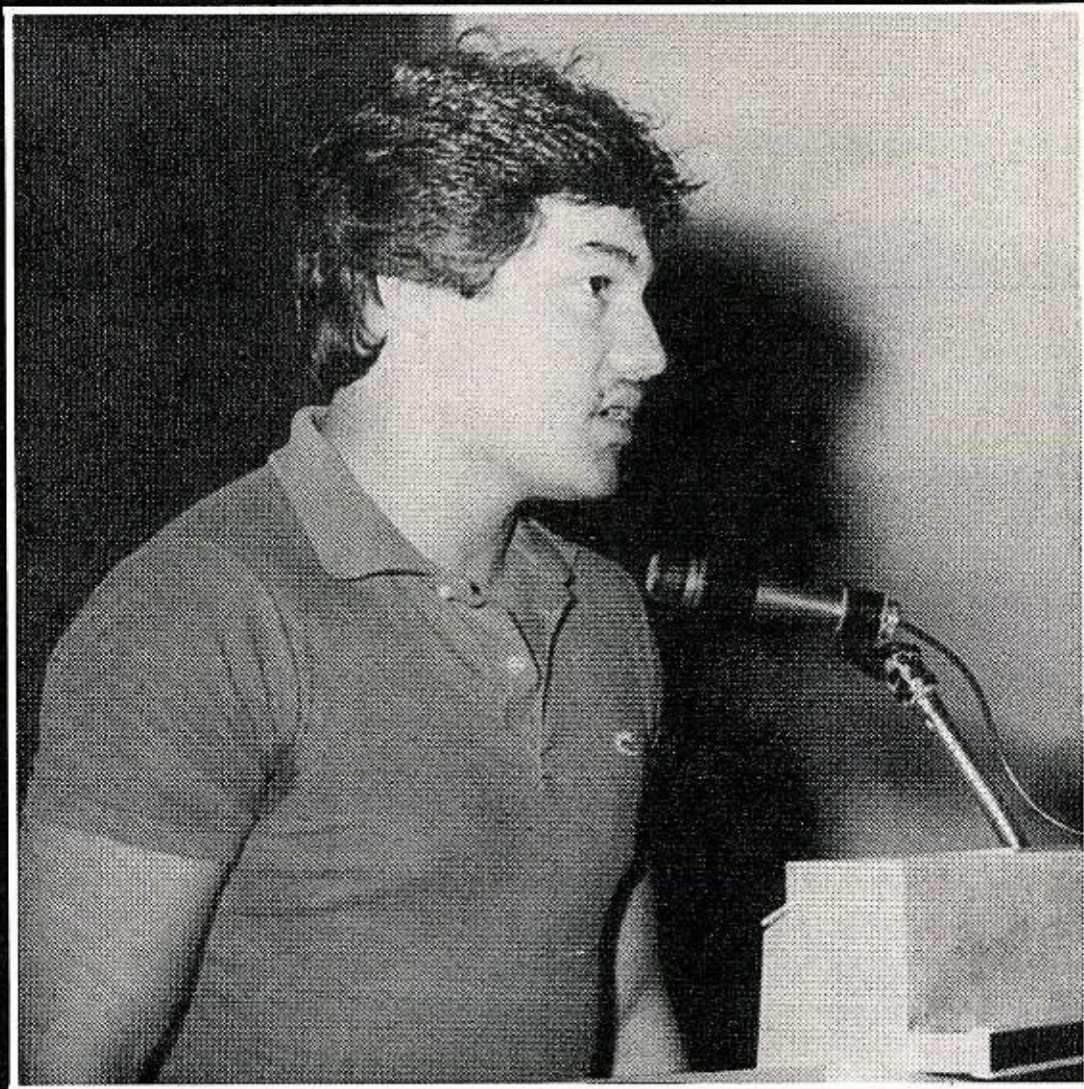

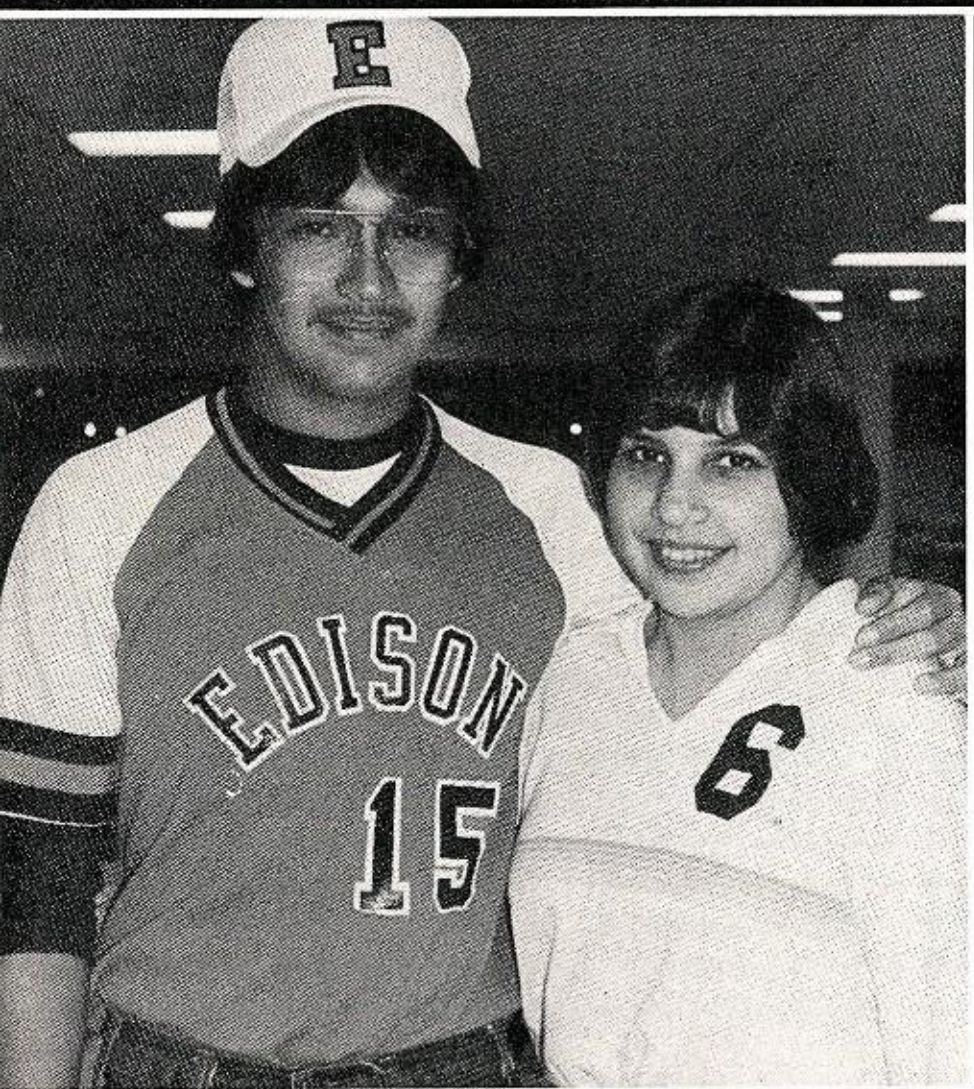

Top Left: A Spirit Box for Joe David Flores, Mark Ferro, and Leonard Vargas. Top Right: "Look at that form." Center Left: "Can't a guy eat in peace?" Center Right: "Wanna' a Nuggie," says Mike Barrera to Cecilia Smith.

Fragments of Bits and Pieces . . .

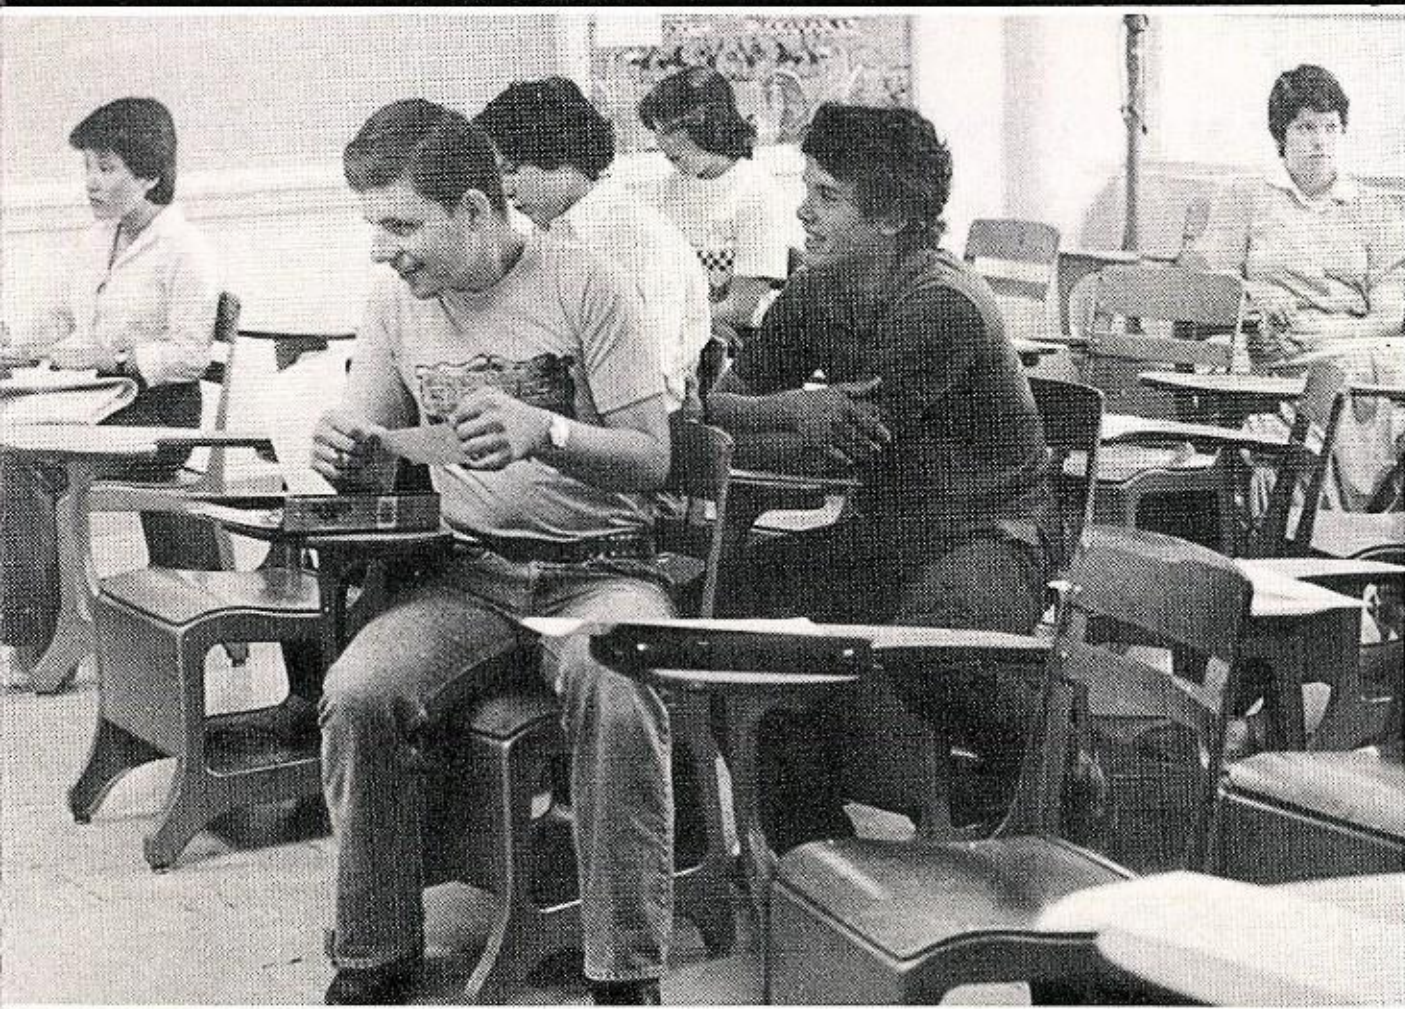

Life; It Is Fragile . . .

Top Left: "Will you go to the prom with me?" says Paul Alvarez to Ana Gonzales. Top Right: "My fellow Americans, I mean SENIORS," says Danny Uranga. Center Left: "Oh What A Man," says Ms. San Miguel. Center Right: "What shall we do after the ball?"

Memories Last Forever

Top Left: "What ever blows your hair back," says Rudy "Mars" Martinez. Top Center: "Let's get funky now," says Homer Gaytan. Top Right: Mr. Gonzales—"How does this cheer go again?" Bottom: Advisory can be suicidal states Bill Woods and Larry Retault.

Our Picture Is Complete.

Good times should be made to last,
Haste, that notorious enemy of memories,
turns awareness into forgetfulness.
And, momentous experiences are over,
almost before they've begun.

Fun times, unique times, become lost times . . . unless they
achieve immortality between the covers of a book.

Some say yearbooks can make time stand still.
They can.

What better way to capture memories than in between the
framework of a book?

The Spark Yearbook Staff of 1982 has tried to piece
together a work that you will enjoy, one that will be most
rewarding. May every page that you turn bring back happy
times, sad times, all the in between times, and memories,
for these are all we have to remind us of antiquity.

Our Picture is Complete.

Thank you—the SPARK STAFF of 82, Annie and Emily; for all the great times, Cindy S.—my best friend, Mom,
Dad, Cheryl, Tricia, Litte J.R., and God, to all of whom I owe very much.

TO MY "BIG BROTHER" JIM,

I've known you

For 1½ years now and
we've had some weird
times in drama, haven't
we? I glad I met you
because you ~~can~~ could
always do something
to make everyone laugh.
Don't change and don't
make me wash your car.

God Bless you always!

Your "little sister"

Margie (singles)
Carter

To James
a nice guy who I
met last year. Good
luck and best wishes
in the years to come.
I hope you will ac-
complish all your goals
in life. May God Bless
you always. Best Wishes,
